BEFORE THE COLORADO MEDICAL BOARD
STATE OF COLORADO

CASE NO. 2024-1444-A

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF THE DISCIPLINARY PROCEEDING REGARDING THE LICENSE TO PRACTICE MEDICINE IN THE STATE OF COLORADO OF BRIAN FREDERICK GREER, M.D., LICENSE NUMBER DR-0071671,

Respondent.

IT IS HEREBY STIPULATED and agreed by and between Inquiry Panel A ("Panel") of the Colorado Medical Board ("Board") and Brian Frederick Greer, M.D. ("Respondent") (collectively, the "Parties") as follows:

JURISDICTION AND CASE HISTORY

1. Respondent was licensed to practice medicine in the state of Colorado on July 27, 2023, and was issued license number DR-0071671, which Respondent has held continuously since that date ("License").

2. The Panel and the Board have jurisdiction over Respondent and over the subject matter of this proceeding.

3. On September 10, 2026, the Panel reviewed case number 2024-1444-A and suspended Respondent's License for failing to comply with the requirements set forth in an Order by CPHP, pending further proceedings by formal complaint as warranted pursuant to Section 12-240-125(4)(c)(V), C.R.S. The Parties have agreed to resolution of this matter prior to referral to the Attorney General.

4. It is the intent of the Parties and the purpose of this Stipulation and Final Agency Order ("Order") to provide for a settlement of all matters set forth in case number 2024-1444-A, without the necessity of conducting a formal disciplinary hearing. This Order constitutes the entire agreement between the parties, and there are no other agreements or promises, written or oral, which modify, interpret, construe or affect this Order.

5. Respondent understands that:

   a. Respondent has the right to be represented by an attorney of the Respondent's choice, and Respondent is represented by counsel in this matter;

b. Respondent has the right to a formal complaint and disciplinary hearing pursuant to Sections 12-240-125(4)(c)(V) and 12-240-118(5), C.R.S.;

c. By entering into this Order, Respondent knowingly and voluntarily gives up the right to a formal complaint and disciplinary hearing, acknowledges the factual basis as recited in this Order, and relieves the Panel of its burden of proving such facts;

d. Respondent is knowingly and voluntarily giving up the right to present a defense by oral and documentary evidence and to cross-examine witnesses who would testify on behalf of the Panel; and

e. Respondent is knowingly and voluntarily waiving the right to seek judicial review of this Order.

FACTUAL BASIS

6. The Respondent acknowledges and the Panel finds that, if the Panel were to prove the following facts at hearing, it would constitute a prima facie case of unprofessional conduct as defined in the Medical Practice Act and would subject Respondent to discipline. Respondent denies the following allegations:

a. Respondent is a physician specializing as a psychiatrist who provided psychiatric care to patients in Colorado until his license to practice medicine expired on April 30, 2025. Respondent continues to have an active license to practice medicine in the state of Florida.

b. While practicing medicine as a psychiatrist in Colorado and during the course of patient care treating female psychiatric patients, Respondent engaged in a boundary violation with one or more of his female patients that included inappropriate sexual conduct.

c. On or about October 14, 2024, the Board issued an order pursuant to section 12-240-125(8)(a), C.R.S., requiring Respondent to submit to a mental or physical examination by the Colorado Physician Health Program ("CPHP") and to comply with any and all requests or recommendations by CPHP.

d. On or about November 14, 2024, CPHP opined that Respondent is not safe to practice from a medical and psychiatric perspective, and recommended that Respondent undergo an extended evaluation.

e. Respondent did not comply with CPHP's order to undergo an extended evaluation, and therefore violated the Board's order pursuant to section 12-240-125(8)(a), issued on or about October 14, 2024, in violation of § 12-240-121(1)(n), C.R.S.

7. Respondent admits and the Panel finds that the acts or omissions described in the Factual Basis above, if proven, constitute unprofessional conduct pursuant to sections 12-240-121(1)(j) and 12-240-121(1)(n), C.R.S., which state:

> (1) "Unprofessional conduct" as used in this article means:
>
> > (j) Any act or omission that fails to meet generally accepted standards of medical practice;
> >
> > and
> >
> > (n) Violation of any valid board order or any rule promulgated by the board in conformance with law.

8. Based upon the above, the parties stipulate that the terms of this Order are authorized by section 12-240-125(5)(c)(III), C.R.S.

PERMANENT RELINQUISHMENT OF LICENSE

9. Commencing on the effective date of this Order, Respondent's License in the State of Colorado is permanently relinquished. Respondent understands and acknowledges that he is permanently relinquishing a license to practice medicine in Colorado. Respondent agrees not to apply for reactivation, reinstatement or issuance of a new license to practice medicine in Colorado at any time in the future. Respondent specifically waives any right to which he may be entitled pursuant to section 12-240-125(5)(e), C.R.S., regarding application for licensure.

10. Following relinquishment of Respondent's license, Respondent shall perform no act requiring a license issued by the Board, nor shall Respondent perform any act in any other location pursuant to the authority of a license to practice medicine granted by the state of Colorado.

OTHER TERMS

11. The terms of this Order were mutually negotiated and determined.

12. Both Parties acknowledge that they understand the legal consequences of this Order; both Parties enter into this Order voluntarily; and both Parties agree that no term or condition of this Order is unconscionable.

13. All costs and expenses incurred by Respondent to comply with this Order shall be the sole responsibility of Respondent, and shall in no way be the obligation of the Board or Panel.

14. If Respondent is licensed by any other jurisdiction, Respondent shall report this Order to all other jurisdictions in which Respondent is licensed.

15. So that the Board may notify hospitals of this agreement pursuant to section 12-240-125(11), C.R.S., Respondent presently holds privileges at or is employed by the following hospitals and facilities:

_____

_____

_____

16. This Order and all its terms shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to section 12-240-125(5)(c)(III), C.R.S., except that it may not be appealed. Failure to comply with the terms of this Order may be sanctioned by the Panel as set forth in section 12-240-125(5)(c)(IV), C.R.S. This Order and all its terms also constitute a valid board order for purposes of section 12-240-121(1)(n), C.R.S.

17. This Order shall be admissible as evidence at any proceeding or future hearing before the Board.

18. Invalidation of any portion of this Order by judgment or court order shall in no way affect any other provision, which shall remain in full force and effect.

19. During the pendency of any action arising out of this Order, the terms of this Order shall be deemed to be in full force and effect and shall not be tolled.

20. Respondent acknowledges that the Panel may choose not to accept the terms of this Agreement and that if the Agreement is not approved by the Panel and signed by a Panel member or other authorized person, it is void.

21. This Order shall be effective upon (a) mailing by first-class mail to Respondent at Respondent's address of record with the Board, or (b) service by electronic means on Respondent at Respondent's electronic address of record with the Board. Respondent hereby consents to service by electronic means if Respondent has an electronic address on file with the Board.

22. Upon becoming effective, this Order shall be open to public inspection and shall be publicized pursuant to the Board's standard policies and procedures. This Order constitutes discipline against Respondent's license. Additionally, this Order shall be reported the Federation of State Medical Boards, the National Practitioner Data Bank and as otherwise required by law.

BRIAN FREDERICK GREER, M.D.
