For a Physician's and Surgeon's)	
License)	
<hr/>		

1) Robert Ryan Gorney, applicant for a physician's and surgeon's license (hereinafter "applicant"), and Breanne Humphreys, Manager of the Licensing Program of the Medical Board of California, hereby stipulate as follows:

2) The applicant has satisfactorily met all of the requirements for medical licensure in California.

3) In January 2010, the applicant submitted an application for physician's and surgeon's licensure in the state of California. In response to Questions #18 and 19 on the application relative to substance addiction diagnosis and treatment, the applicant responded in the affirmative. The applicant has sustained a documented period of recovery and rehabilitation from his condition.

4) Section 480 (a) of the Business and Professions Code states that a board may deny a license on the grounds that the applicant has one of the following: (3) done any act which if done by a licentiate of the business and profession in question, would be grounds for suspension or revocation of a license. Section 2234 states that the Board may take action for unprofessional conduct. The above support a conclusion that grounds exist pursuant to Sections 480(a)(3) and 2234 of the Business and Professions Code.

5) Under Section 2221 of the Business and Professions Code, the Medical Board of California (Board) may deny a license to an applicant because of unprofessional conduct. Alternatively, the Board has the discretionary authority to issue a probationary license with terms and conditions.

6) The applicant acknowledges he has a right to request a Statement of Issues and a hearing upon denial of license for cause. Applicant waives notice of hearing and judicial review in favor of this Stipulation for a Probationary License, which is subject to approval by the Board. If not approved, this Stipulation is null and void and may not be used for any purpose.

7) This Stipulation for a Probationary License shall be subject to approval by the Medical Board of California. Applicant understands and agrees that counsel for the staff

of the Medical Board of California may communicate directly with the Board regarding this proposed Stipulation, without notice to or participation by applicant or his counsel. By signing the Stipulation, applicant understands and agrees that he may not withdraw his agreement or seek to rescind the Stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this Stipulation, the offer of a Stipulation for a Probationary License shall be of no force or effect; except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

The staff recommends to the Board that a Probationary License be issued as follows:

ORDER

IT IS ORDERED THAT ROBERT RYAN GORNEY, applicant, be issued a physician's and surgeon's license on a probationary basis, subject to the following terms and conditions:

Upon approval, applicant shall undergo and continue psychotherapy treatment, including any modifications to the frequency of psychotherapy and the need for medication management that may be required by the therapist, until the Board or its designee deems that no further psychotherapy and medication management is necessary.

The psychotherapist shall consider any information provided by the Board or its designee and any other information the psychotherapist deems relevant and shall furnish a written evaluation report to the Board or its designee. Applicant shall cooperate in providing the psychotherapist any information and documents that the psychotherapist may deem pertinent. Prior to engaging in the practice of medicine the applicant shall provide a true copy of the Stipulation to the Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership are extended to applicant, at any other facility where applicant engages in the practice of medicine, including all physician and locum tenens registries or other similar agencies, and to the Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage to applicant. Applicant shall submit proof of compliance to the Board or its designee within fifteen (15) calendar days.

7) SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, applicant is prohibited from supervising physician assistants.

Applicant shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all conditions of probation. Applicant shall submit quarterly declarations not later than ten (10) calendar days after the end of the preceding quarter.

10) PROBATION UNIT COMPLIANCE. Applicant shall comply with the Board's probation unit. Applicant shall, at all times, keep the Board informed of applicant's business and residence addresses. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a

post office box serve as an address of record, except as allowed by Business and Professions Code Section 2021(b).

Applicant shall not engage in the practice of medicine in applicant's place of residence. Applicant shall maintain a current and renewed California physician's and surgeon's probationary license.

All time spent in an intensive training program outside the State of California which has been approved by the Board or its designee shall be considered as time spent in the practice of medicine within the State. A Board-order suspension of practice shall not be considered as a period of non-practice. Periods of temporary or permanent residence or practice outside California will not apply to the reduction of the probationary term. Periods of temporary or permanent residence or practice outside California will relieve applicant of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws (condition #8) and Probation Unit Compliance (condition #10).

13) FAILURE TO PRACTICE MEDICINE-CALIFORNIA RESIDENT. In the event applicant resides in the State of California and for any reason applicant stops practicing medicine in California, applicant shall notify the Board or its designee in writing within thirty (30) calendar days prior to the dates of non-practice and return to practice. Any period of non-practice within California, as defined in this condition, will not apply to the reduction of the probationary term and does not relieve applicant of the responsibility to comply with the terms and conditions of probation. Non-practice is defined as any period of time exceeding thirty calendar days in which applicant is not engaging in any activities defined in Sections 2051 and 2052 of the Business and Professions Code.

All time spent in an intensive training program that has been approved by the Board or its designee shall be considered time spent in the practice of medicine. For purposes

of this condition, non-practice due to a Board-ordered suspension or in compliance with any other condition of probation, shall not be considered a period of non-practice.

14) EVALUATION PRIOR TO TERMINATION OF PROBATION. The Medical Board of California reserves the right to evaluate the applicant's probationary history at or near the end of the probationary period and to exercise its discretion whether to grant a clear license without conditions, or to take any other action deemed appropriate and reasonable under the circumstances.

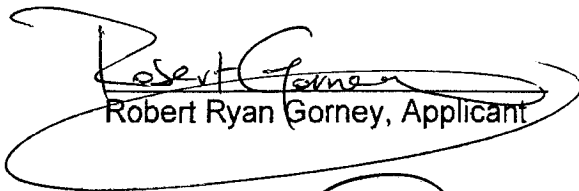

15) VIOLATION OF PROBATION. Failure to fully comply with any term or condition of probation is a violation of probation. If applicant violates probation in any respect, the Board, after giving applicant notice and the opportunity to be heard, may revoke probation and terminate the probationary license. If an Accusation or Petition to Revoke Probation is filed against the applicant during probation, the Board or its designee shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

16) PROBATION MONITORING COSTS. Applicant shall pay all costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis.

Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year. Failure to pay costs within thirty (30) calendar days of the due date is a violation of probation.

17) Applicant shall comply with all financial obligations not later than 120 calendar days prior to the completion of probation. Upon successful completion of probation, applicant shall be issued a full and unrestricted license and applicant shall have fulfilled all terms and conditions of probation.

Applicant agrees to comply with the terms and conditions of the above Order.
