ADMINISTRATIVE COMPLAINT

COMES NOW, the Petitioner, Department of Professional Regulation, hereinafter referred to as "Petitioner," and files this Administrative Complaint before the Board of Medicine against John C. Wohlrabe, M.D., hereinafter referred to as "Respondent," and alleges:

1. Petitioner is the state agency charged with regulating the practice of medicine pursuant to Section 20.30, Florida Statutes, Chapter 455, Florida Statutes, and Chapter 458, Florida Statutes.

2. Respondent is and has been at all times material hereto a licensed physician in the State of Florida, having been issued license number ME 0043007. Respondent's last known address is 10336 Berkshire Road, Bloomington, Minnesota 55437-2267.

3. The Minnesota Board of Medical Examiners is the licensing authority in Minnesota authorized to take disciplinary action against the licenses of physicians in that state.

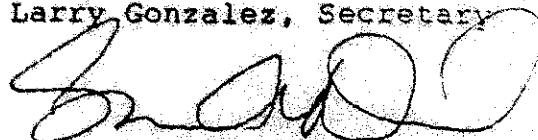

4. On or about January 20, 1990, the Minnesota Board of Medical Examiners issued a Stipulation and Order in which Respondent's license to practice medicine in Minnesota was acted against. Said disciplinary action was based upon Respondent's chemical dependency, in that Respondent tested positive for barbiturates on or about August 9, 1989, and for codeine and morphine on or about September 9, 1989.

5. Based on the foregoing, Respondent is in violation of Section 458.331(1)(b), Florida Statutes, in that he is guilty of having a license to practice medicine revoked, suspended, or otherwise acted against, including the denial of licensure, by the licensing authority of any state, territory, or country. The licensing authority's acceptance of a physician's relinquishment of a license, stipulation, consent order, or other settlement, offered in response to or in anticipation of the filing of administrative charges against the physician's license, shall be construed as action against the physician's license.

WHEREFORE, Petitioner respectfully requests the Board of Medicine enter an Order imposing one or more of the following penalties: revocation or suspension of the Respondent's license, restriction of the Respondent's practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, and/or any other relief that the Board deems appropriate.

SIGNED this 27th day of August, 1990.

THIS CAUSE came before the Board of Medicine (Board) pursuant to Section 120.57(2), Florida Statutes, on November 30, 1990, in Kissimmee, Florida, for consideration of the Administrative Complaint (attached hereto as Exhibit A) in the above-styled cause. At the hearing, Petitioner was represented by Larry G. McPherson, Jr., Attorney at Law; Respondent was present and testified at the hearing. The facts are not in dispute.

Such demonstration shall include, but not be limited to, documentation that his license to practice medicine in Minnesota is unencumbered. Furthermore, if Respondent's license to practice is reinstated, it shall be subject, at a minimum, to Respondent's continuing compliance with the Physician's Recovery Network.
