ADMINISTRATIVE COMPLAINT

COMES NOW, Petitioner, Department of Health, by and through its undersigned counsel, and files this Administrative Complaint before the Board of Medicine against Respondent, John E. McCarthy, M.D., and in support thereof alleges:

1. Petitioner is the state department charged with regulating the practice of medicine pursuant to Section 20.43, Florida Statutes; Chapter 456, Florida Statutes; and Chapter 456, Florida Statutes.
2. At all times material to this Complaint, Respondent was a licensed physician within the state of Florida, having been issued license number ME 59418.

PRACTITIONER REGULATION
LEGAL

3. Respondent's address of record is 1802 South Fiske Boulevard, Suite 103, Rockledge, FL 32955.

4. In or about October of 2001, Respondent's office staff reported to the Professionals Resource Network ("PRN") that he appeared to be drinking heavily. Respondent admitted to PRN that he was drinking heavily on a daily basis.

5. PRN is the treatment program for impaired medical doctors and other medical professionals authorized under Section 456.076, Florida Statutes. PRN is an independent program that monitors the evaluation, care, and treatment of impaired doctors. PRN oversees random drug and alcohol screens and provides for the exchange of information between treatment providers and the Department for the protection of the public.

6. On or about December 14, 2001, Respondent entered into a contract with PRN calling for treatment and monitoring for five years. Under the terms of this contract, Respondent agreed to abstain from the use of alcohol.

7. On or about March 29, 2002, Respondent submitted a urine drug screen that was positive for alcohol.

8. On or about April 23, 2002, Respondent entered into another contract with PRN calling for treatment and monitoring for five years. Under the terms of this contract, Respondent agreed to abstain from the use of alcohol.

9. On or about December 16, 2002, Respondent submitted a urine drug screen that was positive for alcohol.

10. On or about January 30, 2003, Respondent entered into another five year monitoring and treatment contract with PRN. Under the terms of this contract, Respondent agreed to abstain from the use of alcohol.

~~11. On or about March 24, 2004, Respondent submitted a urine drug screen that was positive for alcohol.~~

12. On or about March 31, 2004, Respondent again submitted a urine drug screen that was positive for alcohol.

13. On or about May 7, 2004, Respondent entered into another five year monitoring and treatment contract with PRN. Under the terms of this contract, Respondent agreed to abstain from the use of alcohol.

14. On or about October 27, 2004, a mental health counselor contacted PRN to report that one of his patients had reported that Respondent

had tried to convince her to come to his house to pick up a prescription, told her she was "very attractive," and that he could "give [her] everything [she] needed."

15. On or about March 2, 2005, Respondent submitted an EtG screening test that was positive for alcohol.

16. Ethyl glucuronide (EtG) is a minor metabolite of ethanol (ethyl alcohol). It is formed in the body as a consequence of alcohol consumption. A small fraction (0.02%) of a dose of alcohol is conjugated in the liver with glucuronic acid to form ethyl glucuronide. This compound is excreted in the urine. EtG can be detected in the blood for up to 36 hours and in the urine for up to 5 days after heavy alcohol use. A positive finding of EtG in urine of an individual provides strong evidence that the person recently consumed alcohol, even if the alcohol itself is no longer detectable in the specimen. This compound is regarded as a biomarker of alcohol consumption and, potentially, relapses of alcohol use by an individual who is under restriction.

17. On or about March 29, 2005, Respondent entered inpatient treatment at Shands at Vista facility for treatment of his alcohol dependence.

18. Respondent admitted to medical and counseling providers at Shands at Vista that he had sexual encounters with three different female patients at his home in 2004.

19. On or about July 21, 2005, pursuant to a referral by Kenneth Thompson, M.D., medical director of the Florida Recovery Center, Respondent was evaluated by Barbara Stein, M.D., a Department-approved evaluator.

20. Dr. Stein diagnosed Respondent with alcohol dependence, depressive disorder NOS, depression, social phobia, sexual disorder NOS, and avoidant personality disorder.

~~21. Dr. Stein prepared a report which states in pertinent part~~

- (a) [Respondent's] Alcohol Dependence is evidenced by his recurrent maladaptive pattern of alcohol use that is currently being aggressively treated;
- (b) [H]e is in the early phases of recovery from recurrent Alcohol Dependence which severely affected his judgment;
- (c) He reported that he had sexual encounters with three different female patients at his home in 2004. He said he was actively treating only one of the patients. However, he had not formally

terminated two of the patients at the time of their sexual relationship.

- (d) Respondent's willingness and capacity to deceive PRN by drinking only on weekends and by intentionally not disclosing his sexual boundary issues to [his psychiatrist] ... also increases his risk.... He vocalizes a sound relapse prevention plan but he is not currently capable of implementing it.

22. Dr. Stein opined that Respondent was not safe to practice medicine based on the fact that he had sexual relations with three current or former patients and the problems that led to these boundary violations had not been resolved.

23. On or about August 16, 2005, Respondent entered into another five year monitoring and treatment contract with PRN. Under the terms of this contract, Respondent agreed to abstain from the use of alcohol.

24. On or about October 6, 2005, Respondent submitted an EtG screening test that was positive for alcohol.

25. As of March 17, 2006, Respondent has not received further PRN-monitored treatment for his alcohol dependence and concomitant boundary violations.

COUNT ONE

26. Petitioner realleges and incorporates paragraphs one (1) through twenty-five (25) as if fully set forth herein.

27. Section 458.331(1)(s), Florida Statutes (2001)-(2005) provides in pertinent part that being unable to practice medicine with reasonable skill and safety to patients by reason of illness or use of alcohol, drugs, narcotics, chemicals, or any other type of material or as a result of any mental or physical condition constitutes grounds for disciplinary action by the Board of Medicine.

28. Respondent has violated Section 458.331(1)(s) in one or more of the following ways:

- (a) By developing a pattern of failed treatment and relapse following a long-established, diagnosed dependence upon alcohol;
- (b) By entering into five separate contracts with PRN beginning

in December 2001 and repeatedly returning to drinking alcohol;

- (c) By engaging in sexual relations with current and/or former patients at his home while he was impaired by use of alcohol where the problems (alcohol dependence, depressive disorder NOS, depression, social phobia, sexual disorder NOS, and avoidant personality disorder) that led to these boundary violations have not been resolved.

29. Based on the foregoing, Respondent has violated Section ~~458.331(1)(s), Florida Statutes, by being unable to practice medicine with~~ reasonable skill and safety to patients by reason of illness or use of alcohol, drugs, narcotics, chemicals, or any other type of material or as a result of any mental or physical condition.

COUNT TWO

30. Petitioner realleges and incorporates paragraphs one (1) through twenty-five (25) as if fully set forth herein.

31. Section 458.331(1)(gg), Florida Statutes (2005), provides in pertinent part that a physician is subject to discipline for being terminated

from a treatment program for impaired practitioners, for failure to comply, without good cause, with the terms of the monitoring or treatment contract entered into, or for not successfully completing any drug treatment or alcohol treatment program.

32. Respondent failed to comply with the terms of the monitoring or treatment contract entered into on August 15, 2005, and was terminated by PRN.

33. Based on the foregoing, Respondent has violated Section ^{456.072(1)(99)} 458.331(1)(gg), Florida Statutes (2005), by being terminated from a treatment ~~program for impaired practitioners, for failure to comply, without good cause,~~ with the terms of the monitoring or treatment contract entered into.

WHEREFORE, the Petitioner respectfully requests that the Board of Medicine enter an order imposing one or more of the following penalties: permanent revocation or suspension of Respondent's license, restriction of practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, corrective action, refund offees billed or collected, remedial education and/or any other relief that the Board deems appropriate.

AFFIDAVIT OF FEES AND COSTS EXPENDED

STATE OF FLORIDA
COUNTY OF LEON:

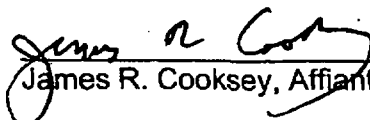

BEFORE ME, the undersigned authority, personally appeared **JAMES R. COOKSEY**, who was sworn and states as follows:

- 1) My name is James R. Cooksey.
- 2) I am over the age of 18, competent to testify, and make this affidavit upon my own personal knowledge and after review of the records at the Florida Department of Health (DOH).
- 3) I am a Operations Management Consultant for the Consumer Services Unit for DOH. The Consumer Services Unit is where all complaints against Florida health care licensees (e.g., medical doctors, dentists, nurses, respiratory therapists) are officially filed. I have been in my current job position for more than one year. My business address is 4052 Bald Cypress Way, Bin C-75, Tallahassee, Florida 32399-3275.
- 4) As a Operations Management Consultant, my job duties include reviewing data in the Time Tracking System and verifying that the amounts correspond. The Time Tracking System is a computer program which records and tracks DOH's costs regarding the investigation and prosecution of cases against Florida health care licensees.
- 5) As of today, DOH's total costs for investigating and prosecuting DOH case number 2005-70618 (Department of Health v. John E. McCarthy, M.D.) are four thousand and seven hundred and ninety-nine dollars and seventy-two cents (**\$4,799.72**).
- 6) The costs for DOH case number 2005-70618 (Department of Health v. John E. McCarthy, M.D.) are summarized in Exhibit 1 (Cost Summary Report), which is attached to this document.
- 7) The itemized costs and expenses for DOH case number 2005-70618 (Department of Health v. John E. McCarthy, M.D.) are detailed in Exhibit 2 (Itemized Cost Report and Itemized Expense Report and receipts), which is attached to this document.

If no Board or case can be charged, then the time and expenses are charged as administrative time. The hourly rate of each employee is calculated by formulas established by the Department.
