Summary of occurrence which created claim.

Pt is currently hospitalized in the psychiatric unit with obsessive neurosis. On 1-14-79 pt claims she awakened and found a black man in her room; she screamed and he left. No act taken other than alerting the nurses. On the next night, pt awakened to find the same black man in her room manipulating his genitals. From discription given, it was found that this man was a pt who had been discharged from the hospital. Report filed with police. Husband has attorney and is going to sue hospital.
