OCCURRENCE WHICH RESULTED IN CLAIM:

Patient was treated by another doctor who went out of town and turned care over to Insured. Medications were prescribed and tests were done. Patient was given shock therapy and improved. Insurance will pay only 80% of bill and patient does not want to pay the rest. He's threatened Insured and has tried to get him removed from hospital staff. Insured said he would accept whatever Insurance paid. Now patient has filed suit in Small Claims Court alleging malpractice.
