(12) Include brief summary of occurrence which created claim on back.

BRIEF SUMMARY OF OCCURRENCE WHICH CREATED CLAIM:

Pt was first seen by insd in 5-81 at which time he was found to have an enlarged prostate. Insd advised pt to see an urologist. Two years ago pt underwent a transurethral resection of the prostate & meatotomy. Pt was seen again in 3-82 with compl of spraying when he urinated & that he had to sit on the toilet. Insd referred pt to an Urologist in town, who felt no intervention was needed at that time. Now an atty in New Jersey has wrote to insd asking questions.
