2. That a Complaint and Statement of Charges was filed against the Respondent, on June 13, 1993, and was scheduled to be heard before the Board.
3. That the Board has jurisdiction of the parties and the subject matter herein.
4. That the undersigned is authorized to issue an Order herein on the behalf of the Board, under the provisions of sections 148.6(1), 148.6(2), and 148.7(7), of the 1993 Code of Iowa.
5. That pursuant to the provisions of sections 17A.10 and 272C.3(4) of the 1993 Code of Iowa, the Respondent and the Board have entered into an Informal Settlement providing

Respondent's Exhibit 24: Respondent's record of continuing medical education, 1/1/92 to 9/13/94

Respondent's Exhibit 25: Interrogatories and Curriculum Vitae of James Blessman, M.D.

FINDINGS OF FACT

1. The Respondent was issued license number 16665 to practice medicine and surgery in the state of Iowa on July 1, 1963, as recorded in the permanent records in the office of the Board. The Respondent's license is current and valid until May 1, 1996. The Respondent was engaged in family practice from 1963 until December 1993. He is board eligible in psychiatry and devoted approximately one-third of his practice to psychiatry. (Board file; Testimony of Respondent; Respondent's Exhibit 1A)

2. In May, 1992 the Board began an investigation of the prescribing practices of the Respondent after receiving a report from an investigator for the Iowa Board of Pharmacy Examiners. As a result of this investigation, the Board found probable cause to file a Complaint and Statement of Charges against the Respondent alleging inappropriate prescribing of controlled substances to five patients over a period of time. (Testimony of Fred Nichols; State's Exhibits A, C-I)

Patient D.G.

3. Patient D.G., a member of the Respondent's family, was treated by the Respondent from February, 1986 until his suicide in November, 1992. Initially, D.G. was treated for migraine headaches, common infections, and muscle strain and backache. On February 10, 1989 the Respondent prescribed Darvocet N-100, an opioid, by telephone. The Respondent's patient records reflect only that the prescription for 50 tablets x 2 was called in to the pharmacy. There is no documentation of the reason for the prescription. Subsequent entries in D.G.'s patient records indicate only that the prescription for Darvocet N-100 was refilled, usually by telephone, on thirteen occasions between February 10, 1989 and February 1, 1990. The entry on February 1, 1990 includes the notation "MUST LAST 1 MONTH". Further entries in the patient record indicate that the Respondent refilled the Darvocet N-100 prescription, mostly by telephone, thirteen times in the period from March 2, 1990 until September 27, 1990. None of these entries indicate the reason for the prescription or that any alternative treatment modalities were utilized. Entries dated September, 1988 refer to a fall from scaffolding which resulted in bruising and abrasions. (Testimony of Darrell Doorenbos, M.D.; Respondent; State's Exhibit J)
