**STIPULATED SETTLEMENT AND  
 DISCIPLINARY ORDER**

17 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the  
 18 above-entitled proceedings that the following matters are true:

19 **PARTIES**

20 1. Barbara Johnston (Complainant) is the Executive Director of the Medical  
 21 Board of California. She brought this action solely in her official capacity and is represented in  
 22 this matter by Edmund G. Brown Jr., Attorney General of the State of California, by G. Lynn  
 23 Thorpe, Deputy Attorney General.

24 2. Respondent Thomas Andrews, M.D. (Respondent) is represented in this  
 25 proceeding by attorney Ann Larson, Esq. of McNamara, Dodge, Ney, Beatty, Slatterly, Pfalzer,  
 26 Borges & Brothers whose address is P.O. Box 5288, Walnut Creek, California 94596.

27 ///  
 28 ///

1 contained in Accusation No. 02-2007-180723 and that he has thereby subjected his license to  
2 disciplinary action.

3 9. Respondent agrees that if he ever petitions for early termination or  
4 modification of probation, or if the Board ever petitions for revocation of probation, all of the  
5 charges and allegations contained in Accusation No. 02-2007-180723 shall be deemed true,  
6 correct and fully admitted by Respondent for purposes of that proceeding or any other licensing  
7 proceeding involving Respondent in the State of California.

8 10. Respondent agrees that his Physician and Surgeon's Certificate is subject  
9 to discipline and he agrees to be bound by the Medical Board of California (Board)'s imposition  
10 of discipline as set forth in the Disciplinary Order below.

11 **RESERVATION**

12 11. The admissions made by Respondent herein are only for the purposes of  
13 this proceeding, or any other proceedings in which the Medical Board of California or other  
14 professional licensing agency is involved, and shall not be admissible in any other criminal or  
15 civil proceeding.

16 **CONTINGENCY**

17 12. This stipulation shall be subject to approval by the Medical Board of  
18 California. Respondent understands and agrees that counsel for Complainant and the staff of the  
19 Medical Board of California may communicate directly with the Board regarding this stipulation  
20 and settlement, without notice to or participation by Respondent or his counsel. By signing the  
21 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
22 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
23 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
24 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
25 action between the parties, and the Board shall not be disqualified from further action by having  
26 considered this matter.

1 An ethics course taken after the acts that gave rise to the charges in the  
2 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the  
3 Division or its designee, be accepted towards the fulfillment of this condition if the course would  
4 have been approved by the Division or its designee had the course been taken after the effective  
5 date of this Decision.

6 Respondent shall submit a certification of successful completion to the Division  
7 or its designee not later than 15 calendar days after successfully completing the course, or not  
8 later than 15 calendar days after the effective date of the Decision, whichever is later.

9 3. **PROFESSIONAL BOUNDARIES PROGRAM** Within 60 calendar  
10 days from the effective date of this Decision, Respondent shall enroll in a professional  
11 boundaries program, at Respondent's expense, equivalent to the Professional Boundaries  
12 Program, Physician Assessment and Clinical Education Program at the University of California,  
13 San Diego School of Medicine ("Program"). Respondent, at the Program's discretion, shall  
14 undergo and complete the Program's assessment of Respondent's competency, mental health  
15 and/or neuropsychological performance, and at minimum, a 24 hour program of interactive  
16 education and training in the area of boundaries, which takes into account data obtained from the  
17 assessment and from the Decision(s), Accusation(s) and any other information that the Division  
18 or its designee deems relevant. The Program shall evaluate Respondent at the end of the training,  
19 and the Program shall provide any data from the assessment and training as well as the results of  
20 the evaluation to the Division or its designee.

21 Failure to complete the entire Program not later than six months after  
22 Respondent's initial enrollment shall constitute a violation of probation unless the Division or its  
23 designee agrees in writing to a later time for completion. Based on Respondent's performance in  
24 and evaluations from the assessment, education, and training, the Program shall advise the  
25 Division or its designee of its recommendation(s) for additional education, training,  
26 psychotherapy and other measures necessary to ensure that Respondent can practice medicine  
27 safely. Respondent shall comply with Program recommendations. At the completion of the

28 ///

1 Program, Respondent shall submit to a final evaluation. The Program shall provide the results of  
2 the evaluation to the Division or its designee.

3 The Program's determination whether or not Respondent successfully completed  
4 the Program shall be binding.

5 Failure to participate in and complete successfully all phases of the Program, as  
6 outlined above, is a violation of probation.

7 If Respondent fails to complete the Program within the designated time period,  
8 Respondent shall cease the practice of medicine within 72 hours after being notified by the  
9 Division or its designee that Respondent failed to complete the Program.

10 4. **NOTIFICATION** Prior to engaging in the practice of medicine, the  
11 Respondent shall provide a true copy of the Decision(s) and Accusation(s) to the Chief of Staff  
12 or the Chief Executive Officer at every hospital where privileges or membership are extended to  
13 Respondent, at any other facility where Respondent engages in the practice of medicine,  
14 including all physician and locum tenens registries or other similar agencies, and to the Chief  
15 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
16 Respondent. Respondent shall submit proof of compliance to the Division or its designee within  
17 15 calendar days.

18 This condition shall apply to any change(s) in hospitals, other facilities or  
19 insurance carrier.

20 5. **OBEY ALL LAWS** Respondent shall obey all federal, state and local  
21 laws, all rules governing the practice of medicine in California, and remain in full compliance  
22 with any court ordered criminal probation, payments and other orders.

23 6. **QUARTERLY DECLARATIONS** Respondent shall submit quarterly  
24 declarations under penalty of perjury on forms provided by the Division, stating whether there  
25 has been compliance with all the conditions of probation. Respondent shall submit quarterly  
26 declarations not later than 10 calendar days after the end of the preceding quarter.

27 7. **PROBATION UNIT COMPLIANCE** Respondent shall comply with  
28 the Division's probation unit. Respondent shall, at all times, keep the Division informed of

1 Respondent's business and residence addresses. Changes of such addresses shall be immediately  
2 communicated in writing to the Division or its designee. Under no circumstances shall a post  
3 office box serve as an address of record, except as allowed by Business and Professions Code  
4 section 2021(b).

5 Respondent shall not engage in the practice of medicine in Respondent's place of  
6 residence. Respondent shall maintain a current and renewed California physician's and  
7 surgeon's license.

8 Respondent shall immediately inform the Division, or its designee, in writing, of  
9 travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last,  
10 more than 30 calendar days.

11 8. **INTERVIEW WITH THE DIVISION, OR ITS DESIGNEE**

12 Respondent shall be available in person for interviews either at Respondent's place of business or  
13 at the probation unit office, with the Division or its designee, upon request at various intervals,  
14 and either with or without prior notice throughout the term of probation.

15 9. **RESIDING OR PRACTICING OUT-OF-STATE** In the event

16 Respondent should leave the State of California to reside or to practice, Respondent shall notify  
17 the Division or its designee in writing 30 calendar days prior to the dates of departure and return.  
18 Non-practice is defined as any period of time exceeding 30 calendar days in which Respondent is  
19 not engaging in any activities defined in Sections 2051 and 2052 of the Business and Professions  
20 Code.

21 All time spent in an intensive training program outside the State of California  
22 which has been approved by the Division or its designee shall be considered as time spent in the  
23 practice of medicine within the State. A Board-ordered suspension of practice shall not be  
24 considered as a period of non-practice. Periods of temporary or permanent residence or practice  
25 outside California will not apply to the reduction of the probationary term. Periods of temporary  
26 or permanent residence or practice outside California will relieve Respondent of the  
27 responsibility to comply with the probationary terms and conditions with the exception of this

28 ///

1 condition and the following terms and conditions of probation: Obey All Laws; Probation Unit  
2 Compliance; and Cost Recovery.

3 Respondent's license shall be automatically cancelled if Respondent's periods of  
4 temporary or permanent residence or practice outside California total two years. However,  
5 Respondent's license shall not be cancelled as long as Respondent is residing and practicing  
6 medicine in another state of the United States and is on active probation with the medical  
7 licensing authority of that state, in which case the two year period shall begin on the date  
8 probation is completed or terminated in that state.

9 **10. FAILURE TO PRACTICE MEDICINE - CALIFORNIA RESIDENT**

10 In the event Respondent resides in the State of California and for any reason  
11 Respondent stops practicing medicine in California, Respondent shall notify the Division or its  
12 designee in writing within 30 calendar days prior to the dates of non-practice and return to  
13 practice. Any period of non-practice within California, as defined in this condition, will not  
14 apply to the reduction of the probationary term and does not relieve Respondent of the  
15 responsibility to comply with the terms and conditions of probation. Non-practice is defined as  
16 any period of time exceeding 30 calendar days in which Respondent is not engaging in any  
17 activities defined in sections 2051 and 2052 of the Business and Professions Code.

18 All time spent in an intensive training program which has been approved by the  
19 Division or its designee shall be considered time spent in the practice of medicine. For purposes  
20 of this condition, non-practice due to a Board-ordered suspension or in compliance with any  
21 other condition of probation, shall not be considered a period of non-practice.

22 Respondent's license shall be automatically cancelled if Respondent resides in  
23 California and for a total of two years, fails to engage in California in any of the activities  
24 described in Business and Professions Code sections 2051 and 2052.

25 **11. COMPLETION OF PROBATION** Respondent shall comply with all  
26 financial obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar  
27 days prior to the completion of probation. Upon successful completion of probation,  
28 Respondent's certificate shall be fully restored.

1           12.    **VIOLATION OF PROBATION** Failure to fully comply with any term  
2 or condition of probation is a violation of probation. If Respondent violates probation in any  
3 respect, the Division, after giving Respondent notice and the opportunity to be heard, may revoke  
4 probation and carry out the disciplinary order that was stayed. If an Accusation, Petition to  
5 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,  
6 the Division shall have continuing jurisdiction until the matter is final, and the period of  
7 probation shall be extended until the matter is final.

8           13.    **LICENSE SURRENDER** Following the effective date of this Decision,  
9 if Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy  
10 the terms and conditions of probation, Respondent may request the voluntary surrender of  
11 Respondent's license. The Division reserves the right to evaluate Respondent's request and to  
12 exercise its discretion whether or not to grant the request, or to take any other action deemed  
13 appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender,  
14 Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the  
15 Division or its designee and Respondent shall no longer practice medicine. Respondent will no  
16 longer be subject to the terms and conditions of probation and the surrender of Respondent's  
17 license shall be deemed disciplinary action. If Respondent re-applies for a medical license, the  
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19           14.    **PROBATION MONITORING COSTS** Respondent shall pay the costs  
20 associated with probation monitoring each and every year of probation, as designated by the  
21 Division, which are currently set at \$3,173.00, but may be adjusted on an annual basis. Such  
22 costs shall be payable to the Medical Board of California and delivered to the Division or its  
23 designee no later than January 31 of each calendar year. Failure to pay costs within 30 calendar  
24 days of the due date is a violation of probation.
