**SUMMARY SUSPENSION ORDER**

The Medical Licensing Board of Indiana ("Board"), pursuant to the authority of Indiana Code § 4-21.5-4-1 *et seq.* and Indiana Code § 25-1-9-10, at the October 24, 2002 meeting, by a vote of 5-0-0, **SUMMARILY SUSPENDS** the license held by Deborah Ann Redd, M.D., ("Respondent") for 90 days, as the Board finds that an emergency exists and that the Respondent represents a clear and immediate danger to the public health and safety if allowed to practice medicine in the State of Indiana.

Deputy Attorney General N. Renee Gallagher represented the State of Indiana. The Respondent was present and not represented by counsel.

Respondent represents a clear and immediate danger to the public health and safety and, if allowed to continue to practicing as a licensed physician, Respondent will continue to represent a clear and immediate danger to the public health and safety for the following reasons:

a. The Respondent called in and picked up prescriptions for several controlled substances for two of her family members, Sue Dukehart and Linda Castle, from approximately June of 2002 through September of 2002. Both patients were later discovered to be the Respondent's sisters. On or about September 10, 2002, both Ms. Dukehart and Ms. Castle were shown a printout of the drugs the Respondent had prescribed for them and had picked up from the Walgreen's pharmacy located at 5830 N.

Clinton Street, Fort Wayne, Indiana. Both Ms. Dukehart and Ms. Castle admitted that they had not received any of the prescription drugs reported on the printout. Therefore, the Respondent has engaged in fraud or material deception in the course of providing professional services or activities, in violation of Indiana Code § 25-1-9-4(a)(1);

b. The Respondent knowingly prescribed controlled substances for her sisters and picked up said prescriptions. However, Respondent used the controlled substances for her own use. Respondent has knowingly violated a state statute or rule, or federal statute or regulation, regulating the profession in question, to-wit: 844 IAC 5-2-5 by failing to exercise reasonable care in her prescriptive authority and following generally accepted professional theory and practice, in violation of Indiana Code § 25-1-9-4(a)(3);

c. The Respondent has become unfit to practice because of her abuse or addiction to controlled substances and her failure to keep abreast of current professional theory or practice, in violation of Indiana Code § 25-1-9-4(a)(4).

This **NON-FINAL** emergency order is based on the evidence in the Board's file, the evidence presented to the Board by the Petitioner and the Respondent's testimony.

**WHEREFORE, RESPONDENT IS ORDERED** to immediately cease and desist all acts constituting the practice of medicine for a period of 90 days from the date of this Order.

**IT IS FURTHER ORDERED**, that Respondent shall immediately surrender all indicia of licensure, including her pocket license and wall license, to the Board in care of the Health Professions Bureau, 402 West Washington Street, Room 041, Indianapolis, Indiana 46204.

**SO ORDERED**, this 8th day of November 2002; this Order is effective as of October 29, 2002.

c. The Respondent has become unfit to practice because of her abuse or addiction to controlled substances and her failure to keep abreast of current professional theory or practice, in violation of Indiana Code § 25-1-9-4(a)(4).

**WHEREFORE**, the State of Indiana requests that this Board set a hearing on this petition for summary suspension and suspend Respondent's license for a period of ninety (90) days and for all other proper relief.

9. The Respondent has agreed to comply with the Caduceus Aftercare Program as set forth in the recommendation of Rush and has been in compliance with the Program since March of 2003.

10. On April 8, 2003, the Respondent signed a Continuing Care Contract with the Physician Assistance Program of the Indiana State Medical Association (ISMA).

11. The Respondent requests that her license be reinstated, and the State has no objection to this request, so long as the Respondent is compliant with the recommendations of ISMA and Rush.

### ULTIMATE FINDINGS OF FACT

1. The conduct described above is in violation of the following:
  - a) Indiana Code § 25-1-9-4(a)(1)(B) in that Respondent has engaged in fraud or material deception in the course of providing professional services or activities;

  - c) Indiana Code § 25-1-9-4(a)(4)(B) and (D) in that Respondent has failed to keep abreast of current professional theory or practice and become unfit to practice because of her abuse or addiction to controlled substances.

### ORDER

ORDER WITHDRAWING PROBATION

Hearing having been held on April 23, 2009, on the Respondent's petition for withdrawal of probation, the Board, by a vote of 6-0, now issues its Order Withdrawing Probation as follows:

FINDINGS OF FACT

1. This matter is before the Board on Deborah Ann Redd's (hereinafter "Respondent") petition for withdrawal of her probation. In its Findings of Fact and Order issued on April 7, 2004, the Board placed the Respondent, whose license had been summarily suspended, on probation indefinitely. Various terms and conditions were imposed.

2. The Respondent has established that the deficiency that required disciplinary action has been remedied. Dr. Frick and Rick Gustafson testified on the Respondent's behalf. Dr. Frick said she had been a "model participant" in the Indiana State Medical Association's Physician Assistance Program and that he "would endorse [probation withdrawal] enthusiastically."

CONCLUSIONS OF LAW

1. Indiana Code section 25-1-9-9(b) states in pertinent part that:

The board may withdraw or modify [a] probation [imposed in a disciplinary proceeding] if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of the order.

2. Because the Respondent has established that the deficiency that required disciplinary action has been remedied, she qualifies for withdrawal of her probation.

ORDER

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that the Respondent's petition for withdrawal of her probation is granted and therefore her probation is withdrawn.
