CONSENT ORDER

On April 29, 2026, the Department of Licensing and Regulatory Affairs (Department) executed an Administrative Complaint (Complaint) charging Respondent with violating the Public Health Code, MCL 333.1101 *et seq.*

The parties have stipulated that the Michigan Board of Medicine's (Board) Disciplinary Subcommittee (DSC) may enter this Consent Order (Order). The DSC has reviewed the Stipulation and agrees that the public interest is best served by resolution of the outstanding Complaint. Therefore, the DSC finds that the allegations of fact contained in the Complaint are true and that Respondent has violated MCL 333.16221 (b)(x), and (f).

Accordingly, for the cited violations, the following IS ORDERED:

Respondent's license to practice as a medical doctor in the state of Michigan is SUSPENDED for a minimum of six (6) months and one (1) day, commencing on the effective date of this Order.

Reinstatement of a license that has been suspended for more than six (6) months is not automatic. If Respondent applies for reinstatement of the license, application for

reinstatement may not be made sooner than 90 days prior to the end of the suspension period and shall be in accordance with MCL 333.16245 and 333.16247.

Respondent shall direct all questions and other communications concerning this Order to BPL-Monitoring@michigan.gov.

Respondent shall be solely responsible for payment of all costs incurred in complying with the terms of this Order.

If Respondent violates any provision of this Order, or fails to complete any term of this Order, the DSC may take disciplinary action pursuant to Mich. Admin. Code, R.338.1632 and MCL 333.16221(h).

This Order shall be effective 30 days after the date signed by the DSC's Chairperson or authorized representative, as set forth below.

STIPULATION

The following stipulations were agreed to by the parties:

1. Respondent admits that the allegations of fact and law in the Complaint are true and constitute a violation of the Public Health Code.

2. Respondent understands and intends that by signing this Stipulation Respondent is waiving the right, pursuant to the Public Health Code, the rules promulgated thereunder, and the Administrative Procedures Act, MCL 24.201 *et seq.*, to require the Department to prove the charges set forth in the Complaint by presentation of evidence and legal authority, and Respondent is waiving the right to appear with an attorney and such witnesses as Respondent may desire to present a defense to the charges.

3. This matter is a public record required to be published and made available to the public pursuant to the Michigan Freedom of Information Act, MCL 15.231 *et seq.*, and this action will be reported to the National Practitioner Data Bank and any other entity as required by state or federal law.

4. The following factors were taken into consideration in the formulation of this Order:

- A. Respondent's expedited license to practice as a medical doctor in the state of Michigan expired on March 27, 2026, and the 60-day grace period ended on May 27, 2026.
- B. On May 20, 2026, in a written response to the Department, Respondent reported that Respondent has never practiced in the state of Michigan and does not intend to seek relicensure.

5. The Department's representative is free to discuss this matter with the DSC and recommend acceptance of the resolution set forth in this Order.

6. This Order is approved as to form and substance by Respondent and the Department and may be entered as the final order of the DSC in this matter.

7. This proposal is conditioned upon acceptance by the DSC. Respondent and the Department expressly reserve the right to further proceedings without prejudice should this Order be rejected.

including, in part, that Respondent shall receive such treatment as is determined to be appropriate by Colorado Physicians Health Program and complete the PROBE Ethics and Boundaries Program conducted by the Center for Personalized Education for Physicians. The Colorado Order was based on Respondent self-prescribing the controlled substance clonazepam through the use of another psychiatrist's blank paper prescriptions. A copy of the Colorado Order, marked Exhibit A, is attached and incorporated

4. Respondent failed to notify the Department of the disciplinary action taken by the Colorado Board within 30 days after the date of action.

COUNT I

The action by the Colorado Board, as set forth above, constitutes a final adverse administrative action by a licensure, registration, disciplinary, or certification board involving the holder of, or an applicant for, a license or registration regulated by another state or a territory of the United States, by the United States military, by the federal government, or by another country, in violation of MCL 333.16221(b)(x).

COUNT II

RESPONDENT IS NOTIFIED that, pursuant to MCL 333.16231(8), Respondent has 30 days from the date of receipt of this Complaint to submit a written response to the allegations contained in it. Pursuant to MCL 333.16192(2), Respondent is deemed to be in receipt of the Complaint three (3) days after the date of mailing listed in the attached proof of service. The written response shall be submitted by email to the Department of Licensing and Regulatory Affairs, Bureau of Professional Licensing to LARA-BPL-RegulationSection@michigan.gov. If unable to submit a response by email, Respondent may submit by regular mail to the **Department of Licensing and Regulatory Affairs, Bureau of Professional Licensing, P.O. Box 30670, Lansing, MI 48909**.

Respondent's failure to submit an answer within 30 days is an admission of the allegations in this Complaint. If Respondent fails to answer, the Department shall transmit this Complaint directly to the Board's Disciplinary Subcommittee to impose a sanction, pursuant to MCL 333.16231(9).
