BEFORE THE MINNESOTA

BOARD OF MEDICAL PRACTICE

In the Matter of the
Medical License of
Dr. Stanislav Kruglikov
Date of Birth: 4/24/60
License No.: 43,311

STIPULATION AND ORDER

IT IS HEREBY STIPULATED AND AGREED, by and between Dr. Stanislav Kruglikov ("Respondent") and the Minnesota Board of Medical Practice ("Board") as follows:

1. During all times herein, Respondent has been and now is subject to the jurisdiction of the Board from which he holds a license to practice medicine and surgery in the State of Minnesota.

2. Respondent has been advised by Board representatives that he may choose to be represented by legal counsel in this matter. Although aware of his right to representation by counsel, Respondent has knowingly and expressly waived that right. The Complaint Review Committee ("Committee") was represented by Nathan W. Hart, Assistant Attorney General, 1400 NCL Tower, 445 Minnesota Street, St. Paul, Minnesota 55101, telephone (651) 296-7575.

FACTS

3. On May 3, 2003, the Board issued Respondent a Stipulation and Order for Indefinite Suspension ("2003 Order") based upon his September and December 2002 relapses with alcohol.

a. On March 24, 2005, the Board received a petition from Respondent to reinstate his license, along with supporting documentation, noting that he has maintained sobriety since August 2004, attends weekly therapy, and is on Antabuse and Klonopin.

b. On April 27, 2005, the Committee discussed the matter and recommended that the Board reinstate Respondent's license under a Stipulation and Order as follows:

STATUTES

4. The Board views Respondent's practices as inappropriate in such a way as to require Board action under Minn. Stat. § 147.091, subd. 1(l) and (r) (2004), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify the disciplinary action under these statutes.

REMEDY

5. Upon this stipulation and all of the files, records, and proceedings herein, and without any further notice or hearing herein, Respondent does hereby consent that until further order of the Board, made after notice and hearing upon application by Respondent or upon the Board's own motion, the Board may make and enter an order rescinding the 2003 Order and **CONDITIONING** and **RESTRICTING** Respondent's license to practice medicine and surgery in the State of Minnesota as follows:

a. Respondent shall obtain a primary treating physician, approved in advance by the Committee or its designee, to monitor and/or manage all medical or other care provided to Respondent by all health professionals. Respondent shall provide all necessary records releases to enable Respondent's health care professionals to communicate with the treating physician pursuant to this paragraph. The treating physician shall provide quarterly reports to the Board or its designee summarizing medical or other care provided to Respondent, as well as addressing Respondent's progress under the terms of this Stipulation and Order relating to Respondent's health status and recovery.

b. Respondent shall abstain from alcohol and all mood-altering chemicals unless they are prescribed and/or approved by a physician or dentist who has been informed of Respondent's drug use history.

c. Respondent shall not prescribe or administer any prescription drug or drug sample for Respondent's own use or for Respondent's family members' use.

d. Respondent shall be subject, without notice, to unannounced blood and/or urine tests at the request of Board staff or its designee at least 12 times per quarter, including weekends. Bodily fluid screens may be requested at any time. The screens shall be:

- 1) Collected and tested consistent with protocols established by a Board-designated laboratory;
- 2) Handled through legal chain-of-custody methods; and
- 3) Paid for by Respondent.

The biological fluid collection shall take place as directed by Board staff or other Board designee. Testing shall screen for opiates, cocaine, barbiturates, amphetamines, benzodiazepines, marijuana, and other drugs of abuse, including alcohol. The laboratory will provide test results directly to the Board and to Respondent's treating physician. Ingestion of poppy seeds will not be accepted as a reason for a positive result.

e. Respondent shall attend meetings of a self-help program such as Alcoholics Anonymous or Narcotics Anonymous in support of abstinence at least three times per week. Quarterly reports shall be submitted to the Board or its designee from Respondent's designated sponsor(s) regarding attendance and participation.

f. Respondent shall attend monthly meetings of a professional support group such as Physicians Serving Physicians, approved in advance by the Committee or its designee.

Quarterly reports shall be submitted to the Board or its designee from Respondent's designated sponsor(s) regarding Respondent's attendance and participation.

g. Respondent shall engage in therapy with a psychiatrist or therapist, approved in advance by the Committee or its designee. The treating psychiatrist or therapist shall provide quarterly reports to the Board or its designee and to the primary treating physician regarding Respondent's diagnosis and progress in therapy. Termination of therapy shall be at the written recommendation of the approved psychiatrist or therapist, with the approval of the primary treating physician and the Committee.

h. Respondent shall comply with medication management, as recommended by a treating psychiatrist who is approved in advance by the Committee or its designee.

i. Respondent shall provide to the Board and to the treating physician a copy of any treatment and/or aftercare plan which is in effect at the time of execution of this Stipulation and Order, or which is modified or becomes effective during the time Respondent is subject to this Stipulation and Order. The treatment/aftercare plan, and any modifications to it, shall be approved by the treating physician and shall include at least the following:

- 1) Treatment/aftercare plan activities; and
- 2) The name, address, and telephone number for each provider of treatment/aftercare services.

The terms of any such treatment/aftercare plan, or approved modifications thereto, to the extent not superseded by this Order, are herewith incorporated by reference. Failure to follow the plan shall constitute violation of this Order.

j. Upon request, Respondent shall sign releases allowing the Board or its designee to obtain Respondent's medical, mental health, or chemical abuse/dependency records from any treating professional, evaluator, or facility.

k. Respondent shall practice in a group setting, approved in advance by the Committee or its designee.

l. Respondent's practice shall be limited to no more than 40 hours per week, including any call schedule. After six months from the date of this Order, Respondent may petition the Committee to consider an increase in his work hours. The Committee, at its discretion and by its own Order, may increase the maximum number of work hours allowed per week.

m. Respondent shall identify a work quality assessor who shall provide quarterly reports to the Board and to the treating physician regarding Respondent's overall work performance.

n. Respondent shall meet on a quarterly basis with a designated Board member or other Board designee. It shall be Respondent's obligation to contact the designated Board member to arrange each of the meetings. The purpose of such meetings shall be to review Respondent's progress under the terms and conditions of this Stipulation and Order.

o. No sooner than one year from the date of this Order, Respondent may petition, in writing, for reduced monitoring. Upon reviewing Respondent's petition, the Committee, at its discretion and by its own order, may reduce the frequency of required meetings, reports, and/or biological fluid screens required by the terms and conditions of this Order.

p. Respondent may petition for reinstatement of an unconditional license upon proof, satisfactory to the Board, of at least four years of documented, uninterrupted recovery. Upon hearing the petition, the Board may continue, modify, or remove the conditions set out herein.

OTHER AGREEMENTS

6. Within ten days of signing the Stipulation to this Order, Respondent shall provide the Board with a list of all hospitals and skilled nursing facilities at which Respondent currently has medical privileges, a list of all states in which Respondent is licensed or has applied for licensure, and the addresses and telephone numbers of Respondent's residences and all work sites. Within seven (7) days of any change, Respondent shall provide the Board with new address and telephone number information. The information shall be sent to Robert A. Leach, Minnesota Board of Medical Practice, University Park Plaza, 2829 University Avenue S.E., Suite 500, Minneapolis, Minnesota 55414-3246.

7. In the event Respondent resides or practices outside the State of Minnesota, Respondent shall promptly notify the Board in writing of the location of his residence and all work sites. Periods of residency or practice outside of Minnesota will not be credited toward any period of Respondent's suspended, limited, or conditioned license in Minnesota unless Respondent demonstrates that practice in another state conforms completely with Respondent's Minnesota license to practice medicine.

8. If Respondent shall fail, neglect, or refuse to fully comply with each of the terms, provisions, and conditions herein, the Committee shall schedule a hearing before the Board. The Committee shall mail Respondent a notice of the violation alleged by the Committee and of the time and place of the hearing. Respondent shall submit a response to the allegations at least

three days prior to the hearing. If Respondent does not submit a timely response to the Board, the allegations may be deemed admitted.

At the hearing before the Board, the Committee and Respondent may submit affidavits made on personal knowledge and argument based on the record in support of their positions. The evidentiary record before the Board shall be limited to such affidavits and this stipulation and order. Respondent waives a hearing before an administrative law judge and waives discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

At the hearing, the Board will determine whether to impose additional disciplinary action, including additional conditions or limitations on Respondent's practice, or revocation of Respondent's license.

9. In the event the Board in its discretion does not approve this settlement, this stipulation is withdrawn and shall be of no evidentiary value and shall not be relied upon nor introduced in any disciplinary action by either party hereto except that Respondent agrees that should the Board reject the stipulation, Respondent will assert no claim that the Board was prejudiced by its review and discussion of the stipulation or any records relating hereto.

10. Respondent waives any further hearings on this matter before the Board to which Respondent may be entitled by Minnesota or United States constitutions, statutes, or rules and agrees that the order to be entered pursuant to the stipulation shall be the final order herein.

11. Respondent hereby acknowledges that he has read and understands this stipulation and has voluntarily entered into the stipulation without threat or promise by the Board or any of its members, employees, or agents. This stipulation contains the entire agreement between the

parties, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this stipulation.
