BOARD OF MEDICAL PRACTICE**

In the Matter of the
Medical License of
George D. Karalis, M.D.
Date of Birth: 11/1/1945
License Number: 20,122

**ORDER OF
UNCONDITIONAL LICENSE**

The Minnesota Board of Medical Practice ("Board") having convened on September 10, 2005, to review the petition of George D. Karalis, M.D. ("Respondent"), for reinstatement of an unconditional license to practice medicine and surgery makes the following:

FINDINGS OF FACT

1. Respondent's license has been restricted pursuant to a Stipulation and Order dated July 13, 1991, based upon his history of disciplinary action in California. In accordance with the California Order dated June 9, 1990, Respondent's California medical license was revoked, such revocation to be stayed upon his compliance with five years probation. Respondent was required to comply with the terms of the California Order and to notify the Minnesota Board if he intended to practice in Minnesota.

2. On July 11, 2005, Respondent petitioned for reinstatement of an unconditional license. Respondent provided documentation that, on June 9, 1998, his California medical license was fully restored, based on completion of his probation.

3. On August 25, 2005, the Complaint Review Committee ("Committee") met to discuss Respondent's petition for an unconditional license. The Committee concluded that Respondent has complied with and fulfilled the conditions and restrictions on his license and

recommended that the Board issue an unconditional license to Respondent to practice medicine and surgery in the State of Minnesota.

Based on the foregoing, the Board concludes that Respondent has complied with and fulfilled the Order issued by the Board on July 13, 1991, and hereby issues the following:

ORDER

IT IS HEREBY ORDERED that an unconditional license to practice medicine and surgery in the State of Minnesota be conferred upon Respondent, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
