**BOARD OF MEDICAL PRACTICE**

In the Matter of the  
Medical License of  
Ronald J. Hardrict, M.D.  
Date of Birth: 3/20/1958  
License Number: 35,269

**ORDER OF  
UNCONDITIONAL LICENSE**

The Minnesota Board of Medical Practice ("Board"), having convened on May 12, 2007, to review the petition of Ronald J. Hardrict, M.D. ("Respondent"), for reinstatement of an unconditional license to practice medicine and surgery makes the following:

**FINDINGS OF FACT**

1. Respondent's medical license has been conditioned and restricted pursuant to a Stipulation and Order dated May 15, 2004 ("Order"), based on Respondent's unethical and unprofessional conduct, fraudulent billing practices involving the Medicaid program, and felony conviction related to the practice of medicine. In accordance with the Stipulation and Order, Respondent's license was suspended, but the Board stayed the suspension and required Respondent, in part, to comply with the terms and conditions of his court-ordered probation, contract with a billing service to audit his billing claims, perform at least 150 hours of community service related to the practice of medicine, and meet on a quarterly basis with a designed Board member to review his progress under the Stipulation and Order.

2. On April 11, 2007, Respondent submitted a written petition to the Board for consideration of an unconditional license.

3. On April 24, 2007, the Complaint Review Committee met to discuss Respondent's petition for reinstatement of an unconditional license. The Committee concluded

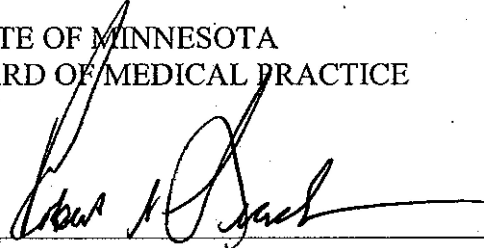

that Respondent had complied with the terms and conditions imposed on his license and recommended that the Board issue an unconditional license to practice medicine and surgery in the State of Minnesota.

4. Based on the foregoing, the Board concludes that Respondent has complied with and fulfilled the Order issued by the Board on May 15, 2004, and hereby issues the following:

**ORDER**

IT IS HEREBY ORDERED that an unconditional license to practice medicine and surgery in the State of Minnesota be conferred upon Respondent, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
