In the Matter of the
Medical License of
Roy D. Hankins, M.D.
Date of Birth: 09/28/48
License Number: 25,005

**ORDER OF
UNCONDITIONAL LICENSE**

The Minnesota Board of Medical Practice ("Board") having convened on March 9, 2002, to review the petition of Roy D. Hankins, M.D. ("Respondent"), for reinstatement of an unconditional license to practice medicine and surgery makes the following:

FINDINGS OF FACT

1. On March 1, 1989, the Illinois Department of Professional Regulation suspended Respondent's license for six months after he admitted that he had entered into a sexual relationship with a psychiatric patient after terminating the patient's care. Following this action by the Illinois Board, Respondent's Minnesota license was conditioned on March 10, 1990.

2. On December 28, 2001, Respondent notified the Minnesota Board of Medical Practice that he would like to accept employment as a physician in Willmar, Minnesota, and requested that his restrictions on his Minnesota license be lifted. The Illinois Board by letter ended Respondent's probation on September 1, 1991. There has been no subsequent disciplinary action taken against Respondent's Illinois license.

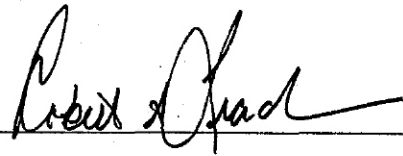

Based on the foregoing, the Board concludes that Respondent has complied with and fulfilled the Order issued by the Board on March 10, 1990, and hereby issues the following:

ORDER

IT IS HEREBY ORDERED that an unconditional license to practice medicine and surgery in the State of Minnesota be conferred upon Respondent, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.

In the Matter of the
Medical License of
Roy D. Hankins, MD

STIPULATION
AND ORDER

IT IS HEREBY STIPULATED AND AGREED, by and between Roy D. Hankins, MD (hereinafter "Respondent"), and the Minnesota Board of Medical Examiners (hereinafter "Board") by Cassius M.C. Ellis, III, MD (President) as follows:

1. During all times herein, Respondent has been and now is subject to the jurisdiction of the Board from which he holds a license to practice medicine and surgery in the State of Minnesota;

2. For the purpose of this stipulation, the Board may consider the following facts as true:

a. On March 1, 1989, the Illinois Department of Professional Regulation suspended Licensee's license for six months for allegedly unprofessional and immoral conduct. Licensee admits that he entered into a sexual relationship with VK and further admits that he had a psychiatrist/patient relationship with VK. However, sexual relations did not begin until after treatment had terminated in May, 1985.

b. On September 1, 1989, Respondent's license was placed on probation for two years. During this period of time Respondent:

1) Must restrict his practice to child psychiatry;

2) When it is necessary to see an adult female in individual psychotherapy, Respondent shall always have a female mental health professional present in the room with him;

3) Must continue in psychotherapy;

4) Must continue treatment for his depression;

5) Must submit quarterly written reports regarding his practice and compliance with his order;

6) Must submit quarterly reports from his treating psychiatrist regarding his psychiatric treatment.

3. The Board views Respondent's practices as inappropriate in such a way as to require Board action under Minn. Stat. § 147.091, subd. 1(d) (1988) and Respondent agrees, for purposes of settlement only and to avoid further litigation, that the conduct cited above constitutes a reasonable basis in law and fact to justify the disciplinary action;

4. Upon this stipulation and all of the files, records, and proceedings herein, and without any further notice or hearing herein, Respondent does hereby consent that until

further order of the Board, made after notice and hearing upon application by Respondent or upon the Board's own motion, the Board may make and enter an order suspending Respondent's license to practice medicine and surgery in the State of Minnesota. Such suspension shall be stayed upon Respondent's compliance with the following:

a. Respondent shall comply with all terms and conditions imposed on his Illinois license to practice medicine;

b. If Respondent moves to Minnesota to practice medicine and surgery, Respondent shall meet with the Discipline Committee. At such time, the Board may condition or restrict Respondent's license to practice medicine and surgery as deemed necessary to protect the health, welfare, or safety of patients.

5. Within ten days of the date of this order, Respondent shall provide the Board with a list of all hospitals at which Respondent currently has medical privileges. The information shall be sent to Richard L. Auld, Board of Medical Examiners, Suite 106, 2700 University Avenue West, St. Paul, Minnesota 55114;

6. If Respondent shall fail, neglect, or refuse to fully comply with each of the terms, provisions, and conditions herein, the license of Respondent to practice medicine and surgery in the State of Minnesota shall be suspended immediately upon written notice by the Board to Respondent, such a suspension to remain in full force and effect until

Respondent petitions the Board to terminate the suspension after a hearing. Nothing contained herein shall prevent the Board from revoking or suspending Respondent's license to practice medicine and surgery in the State of Minnesota after any such hearing;

7. In the event the Board in its discretion does not approve this settlement, this stipulation is withdrawn and shall be of no evidentiary value and shall not be relied upon nor introduced in any disciplinary action by either party hereto except that Respondent agrees that should the Board reject this stipulation and if this case proceeds to hearing, Respondent will assert no claim that the Board was prejudiced by its review and discussion of this stipulation or of any records relating hereto;

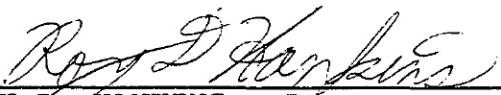

8. In the event Respondent should leave Minnesota to reside or practice outside the state, Respondent shall promptly notify the Board in writing of the new location as well as the dates of departure and return. Periods of residency or practice outside of Minnesota will not apply to the reduction of any period of Respondent's suspended, limited, or conditioned license in Minnesota unless Respondent demonstrates that practice in another state conforms completely with Respondent's Minnesota license to practice medicine;

9. Respondent waives any further hearings on this matter before the Board to which Respondent may be entitled by Minnesota or United States constitutions, statutes, or rules

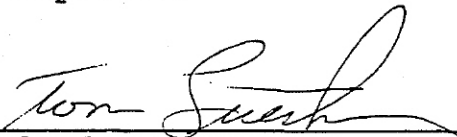

and agrees that the order to be entered pursuant to the stipulation shall be the final order herein;

10. Respondent hereby acknowledges that he has read and understands this stipulation and has voluntarily entered into the stipulation without threat or promise by the Board or any of its members, employees, or agents. This stipulation contains the entire agreement between the parties, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this stipulation.

Dated: February 20, 1990

JOHN A. BREVIU

Upon consideration of this stipulation and all the files, records, and proceedings herein,
