Delmer C. Eggert, M.D.  
Birth Date: 4/28/1934  
License Number: 19,385

**AGREEMENT FOR  
CORRECTIVE ACTION**

This agreement is entered into by and between Delmer C. Eggert, M.D. ("Respondent"), and the Complaint Review Committee of the Minnesota Board of Medical Practice ("Committee") pursuant to the authority of Minn. Stat. § 214.103, subd. 6(a) (2006). Respondent has been advised by Board representatives that he may choose to be represented by legal counsel in this matter. Although aware of this opportunity, Respondent has elected not to be represented by counsel. The Board was represented by Tiernee M. Murphy, Assistant Attorney General, 1400 Bremer Tower, 445 Minnesota Street, St. Paul, Minnesota 55101, (651) 296-7575. Respondent and the Committee hereby agree as follows:

**FACTS**

1. This agreement is based upon the following facts:
  - a. Respondent was licensed by the Board to practice medicine and surgery in the State of Minnesota on November 20, 1970. Respondent is also licensed in the State of Iowa. Respondent is board-certified in psychiatry.
  - b. In March 2007, the Board received a report that Respondent had inappropriately prescribed medications, including controlled substances; provided care and treatment beyond the scope of his psychiatry practice; and demonstrated concerns regarding his clinical judgment and decision-making abilities. The Board initiated an investigation into

Respondent's care and treatment of his patients, prescribing of controlled substances, and his current health status.

2. On June 17, 2008, Respondent met with the Committee to discuss the information set forth in paragraph 1 above. Based on the discussion, the Committee views Respondent's conduct as inappropriate under Minn. Stat. § 147.091, subd. 1(s) (2006), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify corrective action under these statutes.

### **CORRECTIVE ACTION**

3. Respondent agrees to address the concerns referred to in paragraph 1 by taking the following corrective action:

a. Respondent shall provide verification to the Complaint Review Committee that he has read the "Model Policy for the Use of Controlled Substances for the Treatment of Pain," which was adopted as policy by the House of Delegates of the Federation of State Medical Boards of the United States, Inc., in May 2004.

b. Respondent shall successfully complete, within one year of the date of this Agreement, the following courses, approved in advance by the Committee or its designee:

- 1) Chemical dependency awareness.
- 2) Pain management.
- 3) Professional boundaries.

Successful completion shall be determined by the Board or its designee.

c. Within six months after successful completion of the above coursework, Respondent shall write and submit a paper, for approval by the Complaint Review Committee or

its designee, discussing what he has learned from the courses and how he will implement the knowledge into his practice.

4. This agreement shall become effective upon execution by the Committee and shall remain in effect until Respondent successfully completes the terms of the agreement. Successful completion shall be determined by the Committee.

5. Upon Respondent's satisfactory completion of the Agreement for Corrective Action, the Committee agrees to issue a letter of satisfaction to Respondent and dismiss the complaint(s) referred to in paragraph 1. Respondent agrees that the Committee shall determine satisfactory completion. Respondent understands and further agrees that if, after dismissal, the Committee receives additional complaints similar to the information in paragraph 1, the Committee may reopen the dismissed complaint(s).

6. If Respondent fails to complete the corrective action satisfactorily or if the Committee receives additional complaints similar to the allegations described in paragraph 1, the Committee may, in its discretion, reopen the investigation and proceed according to Minn. Stat. chs. 147, 214, and 14. Failure to complete corrective action satisfactorily constitutes failure to cooperate under Minnesota Statutes section 147.131. In any subsequent proceeding, the Committee may use as proof of the allegations of paragraphs 1 and 2 Respondent's agreements herein.

7. Respondent understands that this agreement does not constitute disciplinary action. Respondent further understands and acknowledges that this agreement and any letter of satisfaction are classified as public data.

8. Respondent hereby acknowledges having read and understood this agreement and having voluntarily entered into it. This agreement contains the entire agreement between the

Committee and Respondent, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this agreement.
