This matter is before the North Carolina Medical Board ("NC Board") regarding information provided to the NC Board concerning Ryan Gerrard McQueen, M.D. ("Dr. McQueen"). Dr. McQueen makes the following admissions and the NC Board makes the following findings and conclusions:

STATUTORY AUTHORITY

The NC Board is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding under the authority granted to it in Article 1 of Chapter 90 of the North Carolina General Statutes and the rules and regulations promulgated thereto.

FINDINGS OF FACT

Dr. McQueen was first issued a license to practice medicine by the NC Board on or about September 10, 2015, license number 2015-02012.

At all times relevant hereto, Dr. McQueen practiced medicine in Chesapeake, Virginia.

On August 28, 2019, Dr. McQueen and the Virginia Board of Medicine ("Virginia Board") entered into a Consent Order ("Virginia Consent Order") through which Dr. McQueen was reprimanded and required to satisfactorily complete twenty (20) hours of continuing medical education in the management of major psychiatric disorders. This action was based on Dr. McQueen's discharge of a psychiatric patient, which the Virginia Board determined to be inappropriate.

On March 2, 2020, the Virginia Board notified Dr. McQueen that it had received verification of his compliance with the Virginia Consent Order. As a result, the Virginia Board closed the matter effective that date, and updated its records to reflect that Dr. McQueen had a full and unrestricted medical license.

CONCLUSIONS OF LAW

Dr. McQueen agrees that the Virginia Consent Order constitutes his license to practice medicine being restricted or acted against by the licensing authority of any jurisdiction within the meaning of N.C. Gen. Stat. § 90-14(a)(13) and grounds exist under that section of the North Carolina General Statutes for the NC Board to annul, suspend, revoke, or limit Dr. McQueen's North Carolina license or to deny any application he might make in the future for a license to practice medicine in North Carolina.

PROCEDURAL STIPULATIONS

Dr. McQueen acknowledges and agrees that the NC Board has jurisdiction over him and over the subject matter of this case.

Dr. McQueen knowingly waives his right to any hearing and to any judicial review or appeal in this case.

Dr. McQueen acknowledges that he has read and understands this Consent Order and enters into it voluntarily.

Dr. McQueen desires to resolve this matter without the need for more formal proceedings.

The NC Board has determined that it is in the public interest to resolve this case as set forth below.

ORDER

NOW, THEREFORE, with Dr. McQueen's consent, it is ORDERED that:

1. Dr. McQueen is hereby REPRIMANDED.
2. Dr. McQueen shall strictly comply in all respects to the Virginia Consent Order.
3. Dr. McQueen shall obey all laws. Likewise, he shall obey all rules and regulations involving the practice of medicine.
4. Dr. McQueen shall meet with the NC Board or members of the NC Board for an investigative interview at such times as requested by the Board.

5. Upon request, Dr. McQueen shall provide the NC Board with any information the NC Board deems necessary to verify compliance with the terms and conditions of this Consent Order.

6. If Dr. McQueen fails to comply with any of the terms of this Consent Order, that failure shall constitute unprofessional conduct within the meaning of N.C. Gen. Stat. § 90-14(a)(6) and shall be grounds, after any required notice and hearing, for the NC Board to annul, suspend or revoke his license to practice medicine and to deny any application he might make in the future or then have pending for a license to practice medicine.

7. This Consent Order shall take effect immediately upon its execution by both Dr. McQueen and the Board, and it shall continue in effect until specifically ordered otherwise by the Board.

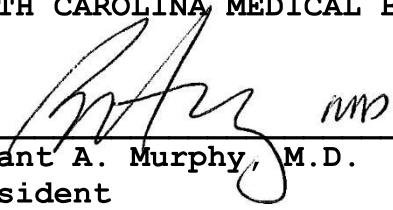

8. Dr. McQueen hereby waives any requirement under any law or rule that this Consent Order be served on him.

9. Upon execution by Dr. McQueen and the Board, this Consent Order shall become a public record within the meaning of Chapter 132 of the North Carolina General Statutes and shall be subject to public inspection and dissemination pursuant to the provisions thereof. Additionally, it will be reported to persons, entities, agencies and clearinghouses as required and permitted by law including, but not limited to, the Federation of State Medical Boards and the National Practitioner Data Bank.

By Order of the North Carolina Medical Board this the 15th
day of September, 2020.
