Case No. 2015-015

STIPULATION OF LICENSURE

THIS Stipulation of Licensure is between Yasin Choudry, M.D. ("Respondent") and the New Mexico Medical Board ("Board").

Respondent is subject to the jurisdiction of the Board pursuant to the Medical Practice Act, NMSA 1978, §§ 61-6-1 through -35; the Impaired Health Care Provider Act, §§ 61-7-1 through -12; and the New Mexico Medical Board rules and regulations, Title 16, Chapter 10, NMAC.

THIS MATTER came before the Board on August 6, 2015 upon the recommendation that Respondent be monitored by the New Mexico Monitored Treatment Program ("MTP").

WHEREAS the Board has determined that Respondent shall be under the care of a monitored treatment program;

WHEREAS, in order to assist Respondent in his continued rehabilitation, Respondent shall comply with the following terms and conditions, which are not considered a restriction on the license:

1. Respondent shall abstain completely from the use of mind-altering substances, or alcoholic beverages, or controlled substances except as legitimately prescribed by a licensed physician;
2. Respondent shall enter into a treatment contract with, and as determined by, the MTP within thirty (30) days of signing this Stipulation of Licensure and shall comply fully with the

recommendations, terms and conditions required of Respondent by the Program;

3. If the Board is notified that Respondent has violated any of the MTP contract terms, the Board shall constitute it as a violation of this Agreement;

4. Respondent hereby waives any right to confidentiality he may have with respect to information gathered by the Monitored Treatment Program with regard to the Board's access to MTP information. Respondent hereby authorizes the MTP to release any and all information to the Board;

5. Respondent shall appear before the Board on a quarterly basis or upon the Board's request;

6. Respondent shall submit quarterly reports to the Board attesting to his compliance with this stipulation. Such quarterly reports shall be on a form provided by Board staff and sent to Respondent;

7. Respondent shall, at all times, comply with all federal, state and local laws and all rules governing the practice of medicine;

8. If the Board has reasonable cause to believe that Respondent has violated any of the terms of this stipulation, the Board may immediately and summarily suspend his license to practice as a physician in New Mexico pursuant to Subsection C of 16.10.5.15 NMAC. A breach of any term of this stipulation shall constitute conduct unbecoming in a person licensed to practice medicine as set forth in NMSA 1978, § 61-6-15(D)(29). The Board shall, within 10 days of a summary suspension, issue a Notice of Contemplated Action, and Respondent will be entitled to a formal hearing on the Notice in accordance with the Uniform Licensing Act, NMSA 1978, §§ 61-1-1 through -33.

9. Respondent understands that this stipulation is made pursuant to NMSA 1978, § 61-

6-15(B), and Board Rule 16.10.5.15 NMAC. Respondent further understands that entering into this stipulation results in a waiver of his rights under the Uniform Licensing Act, Medical Practice Act, and the Impaired Health Care Provider Act, including the right to appeal and any claim he may have regarding these matters;

10. Respondent knows and understands his right to consult with an attorney and Respondent's signature below signifies that Respondent has either consulted with an attorney or Respondent waives his right to counsel.

11. Respondent understands that this stipulation will be reported to the National Practitioners Data Bank;

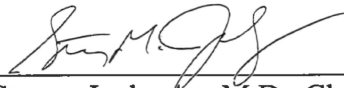

12. The conditions and terms set forth in this stipulation will remain in effect unless and until removed or amended by the Board.

13. This stipulation incorporates any and all agreements, covenants and understandings between Parties. No prior agreement or understanding, verbal or otherwise of the Parties or their agents or assignees shall be valid or enforceable unless embodied in this Stipulation.

IT IS SO STIPULATED BY Yasin Choudry, M.D., Respondent, and the New Mexico Medical Board.
