Case No. 2016-045

**STIPULATION AND ORDER OF REPRIMAND**

This matter, having come before the New Mexico Medical Board ("Board") concerning Deborah Kaye Parr, M.D. ("Respondent") and this Stipulation and Order of Reprimand ("Order"), and the Board being fully advised, hereby finds and orders as follows:

**STIPULATED FINDINGS OF FACT**

1. Respondent was initially issued a license to practice medicine in the State of New Mexico (License No. 2013-0058) in approximately 2013.
2. Based on the foregoing, Respondent is subject to the jurisdiction of the Board pursuant to the Medical Practice Act, NMSA 1978, Chapter 61, Article 6 ("MPA"), the Uniform Licensing Act, NMSA 1978, Chapter 61, Article 1 ("ULA"), the Impaired Health Care Provider Act, NMSA 1978, Chapter 61, Article 7 ("IHCPA"), and certain Board-promulgated regulations, Title 16, Chapter 10, NMAC ("Rules").
3. On or about July 19, 2016, the Board received an outline application for renewal ("Application for Renewal") of Respondent's license to practice medicine in New Mexico.
4. The Board conducted an investigation concerning Respondent's Application for Renewal and discovered that the Application for Renewal contained inaccurate information.

5. At a regular meeting of the Board held in August 2016, the Board considered the findings of its investigation and resolved that Respondent should be offered an opportunity to accept a reprimand based on evidence that Respondent's submission of the Application for Renewal to the Board constituted a misrepresentation in connection with applying for or procuring renewal of a medical license as proscribed by NMSA 1978, Section 61-6-15(D)(8).

6. Respondent hereby agrees to accept a reprimand from the Board for violating Section 61-6-15(D)(8), NMSA 1978. Respondent's agreement and consent to have discipline imposed on her by the Board is limited to the alleged violation of Section 61-6-15(D)(8), NMSA 1978 associated with Respondent's submission of the Application for Renewal to the Board.

7. By signing this Order:

a. Respondent confirms that she has received all notice required by law, all jurisdictional requirements have been satisfied.

b. Respondent submits to the jurisdiction of the Board and agrees to be bound by the terms and conditions of this Order.

c. Respondent acknowledges reading and understanding the contents of this document.

d. Respondent confirms that she understands the applicable statutory and regulatory provisions setting forth the authority and power of the Board, and that that this proposed Order results in a waiver of her rights afforded by Board-promulgated rules, and by the ULA, MPA, and/or the IHCPA, including the right to a hearing on this Order and the right to appeal this Order.

e. Respondent understands her right to consult with an attorney, and Respondent's signature below signifies that Respondent has either consulted with an attorney or that Respondent

knowingly and voluntarily waives her right to counsel.

f. Respondent understands that this Order will not become effective until approved by the Board.

g. Respondent understands that the terms set forth in this Order are unique to the evidence in this matter, and shall have no precedential or binding effect on other Board proceedings.

h. Respondent understands that this Order contains the entire agreement of the parties hereto, and that there is no other agreement of any kind, verbal, written or otherwise.

#### **STIPULATED CONCLUSIONS OF LAW**

Pursuant to the above Stipulated Findings of Fact, the Board concludes as follows:

8. Respondent is subject to the jurisdiction of the Board pursuant to the MPA, ULA, IHCPA, and Board regulations found at Title 16, Chapter 10, NMAC.

9. The Board has authority to enter into this Order pursuant to Section 61-6-15, NMSA 1978 and 16.10.5.15 NMAC.

10. The terms set forth in this Order are in the best interest of the public's health, safety and welfare.

#### **ORDER**

Pursuant to the foregoing Stipulated Findings of Fact and Stipulated Conclusions of Law, the New Mexico Medical Board ORDERS as follows:

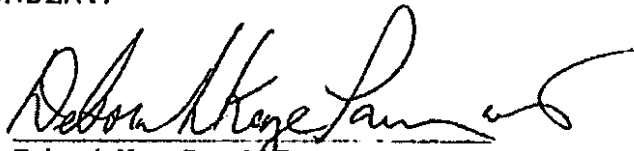

A. Respondent is hereby REPRIMANDED for engaging in conduct contrary to Section 61-6-15(D)(8), NMSA 1978.

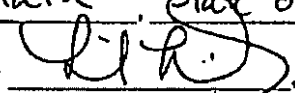

B. This Order resolves only the matter of Respondent's misrepresentation to the Board in

connection with her Application for Renewal; this Order does not resolve or compromise any other basis for which Respondent may be subjected to discipline by the Board.

- C. Respondent shall appear before the Board upon the Board's request.
- D. Respondent shall keep the Board informed of Respondent's business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board. Respondent may not utilize a post office box as an address of record.
- E. Respondent shall comply with all federal, state and local laws, including but not limited to those laws governing the practice of medicine.
- F. This Order is a public document available for inspection; therefore, this Order shall be reported to the National Practitioners Data Bank, the Federation of State Medical Boards, and the America Medical Association.
