BEFORE THE BOARD OF MEDICAL EXAMINERS
OF THE STATE OF NEW MEXICO

IN THE MATTER OF
MARK BEALE, M.D.

STIPULATION OF LICENSURE

THIS MATTER came before the New Mexico Board of Medical Examiners on May 20, 1993. Dr. Beale and his attorney met with the Board concerning Dr. Beale's disciplinary history in the State of Tennessee. The Board is persuaded that Dr. Beale can safely practice medicine under certain terms, conditions and stipulations. In order to assure the Board and the public that Dr. Beale will practice competent medicine, Dr. Beale and the Board agree that Dr. Beale's license to practice medicine in New Mexico will be limited and restricted as follows:

1. Dr. Beale's license to practice medicine is unrestricted, however, in order to maintain its unrestricted status, Dr. Beale must complete 25 hours of continuing medical education in psycho-pharmacology, in addition to the general CME requirements for licensure.

2. Dr. Beale shall submit an affidavit acknowledging completion of the required CME in psycho-pharmacology on or before May 20, 1994, and shall include a course description or other evidence describing the coursework taken with his affidavit of compliance.

3. If Dr. Beale fails to complete the necessary coursework in psycho-pharmacology before May 20, 1994, the Board may initiate disciplinary proceedings in accordance with the Uniform Licensing Act N.M. Stat. Ann. 1978 §§ 61-1-1 through 61-1-33.

4. The Board retains continuing jurisdiction over this matter until such time as this Stipulation is rescinded or modified or until such time, if any, that further action concerning the license of Mark Beale, M.D. is taken by the Board.

5. Dr. Beale has been advised to seek the advice of legal counsel prior to signing this stipulation of licensure.

IT IS SO STIPULATED by Mark Beale, M.D. and the New Mexico Board of Medical Examiners.
