IN THE MATTER  
OF  
RONALD KAITZ, M.D.

APPLICATION FOR  
ORDER OF  
CONDITIONS  
PURSUANT TO  
N.Y. PUB. HEALTH  
LAW § 230

Ronald Kaitz, M.D., represents that all of the following statements are true:

That on or about August 3, 1979, I was licensed to practice as a physician in the State of New York and issued License No. 139213 by the New York State Education Department.

My current address is [REDACTED]

and I will advise the Director of the Office of Professional Medical Conduct of any change of address. I am affiliated with the following hospitals and/or facilities:

Not applicable. None.

I understand that the New York State Board for Professional Medical Conduct ("the Board") has investigated the issues set forth in attached Exhibit "A".

I request that the Board and the Director of the Office of Professional Medical Conduct ("the Director"), in reliance upon the results of the investigation to date and upon my representation that I have practiced medicine without incident for at least a year before this Application, conclude the investigation of these issues, provided I successfully and without incident comply with the Conditions set forth below. In consideration of the Board

and the Director granting this Application, and upon the Board's election not to bring disciplinary charges against me, I agree that the Board and the Director shall issue an Order of Conditions Pursuant to N.Y. Pub. Health Law § 230.

I agree that the Order shall impose the following conditions:

That Licensee, who does not currently practice medicine in the State of New York, shall be precluded from practicing medicine in New York State, from practicing in any setting where the Licensee's practice is based solely on the Licensee's New York license, and from further reliance upon Licensee's New York license to practice medicine to exempt Licensee from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State; and

That if Licensee is currently registered to practice medicine in New York State, Licensee shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that Licensee's license status is "inactive," shall provide proof of such notification to the Director of OPMC immediately upon having done so, and shall not reactivate or reregister the license at any time; and

That Licensee shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

That Licensee shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Licensee's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Licensee shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Licensee receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Licensee has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Licensee shall cooperate fully with the Office of Professional Medical Conduct ("OPMC") in its administration and enforcement of this Order and in its investigation of Licensee. Licensee shall respond in a timely manner to all OPMC requests for written periodic verification of compliance with the terms of this Order, meet in person with the Director's designee, and respond promptly and provide all documents and information within Licensee's control to OPMC, as directed. This Condition shall take effect upon the Order's effective date and shall continue while Licensee possesses a license in New York; and

I stipulate that my failure to comply with the conditions imposed by this order, if proven and found at a hearing pursuant to N. Y. Pub. Health Law § 230(10), shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(29).

I understand that nothing in this Application shall be construed as an admission by me of any act of alleged misconduct or as a finding of misconduct as to those issues referred to in Exhibit "A". I deny any acts of misconduct and reserve my right to assert all defenses I may have in any later or other proceeding.

I understand and agree that my failure to comply with, successfully complete, or satisfy any of the material conditions of this Order, and/or any unsatisfactory report by the practice monitor (if any), shall vest the Director with the authority, in the exercise of reasonable discretion, to vacate this agreement and shall permit the Director to pursue further investigation and/or prosecution of misconduct charges against me as to the issues set forth in Exhibit "A" to the full extent authorized by the Public Health Law and the Education Law.

I understand that an Order issued upon this Application does not bar prosecution for professional misconduct based upon allegations of violations of N.Y. Educ. Law § 6530 unrelated to the issues set forth in Exhibit "A", whether those alleged violations occurred before or after this Application. The Director may, at such time, also direct counsel to prepare charges that include allegations as to the issues set forth in Exhibit "A".

I agree that, if the Board grants this Application, the Chair of the Board shall issue an Order of Conditions in accordance with its terms. I further agree that the Department of Health shall notify the National Practitioner Data Bank and the Federation of State Medical Boards of this Order of Conditions pursuant to N.Y. Pub. Health Law § 230 and that the change in my licensure status is not disciplinary in nature. This Order of Conditions [with the exception of Exhibit "A," which shall remain a part of the investigative files of the Office of Professional Medical Conduct within the meaning of N.Y. Pub. Health Law § 230(10)(a)(v)] shall be posted on the Department of Health website(s).

I make this Application of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Application, I waive my right to contest the Order for which I apply, whether administratively or judicially, I agree to be bound by the Order, and I ask that the Board grant this Application.

I understand and agree that the attorney for the Department of Health, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my Application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

Licensee shall not, with regard to New York practice or practice anywhere pursuant to Licensee's New York license, charge, receive or share any fee or distribution of dividends for professional services rendered by Licensee or others while Licensee is barred from engaging in the practice of medicine. Licensee may be compensated for the reasonable value of services lawfully rendered, and disbursements incurred on a patient's behalf, prior to the Order's effective date.
9. If Licensee is a shareholder in any professional service corporation organized to engage in the practice of medicine in New York, Licensee shall divest all financial interest in the professional services corporation, in accordance with New York Business Corporation Law. Such divestiture shall occur within 90 days.
