NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER  
OF  
DOUGLAS LANDY, M.D.**

APPLICATION FOR  
NONDISCIPLINARY  
ORDER OF  
CONDITIONS  
PURSUANT TO  
N.Y. PUB. HEALTH  
LAW § 230

Douglas Landy, M.D., represents that all of the following statements are true:

That on or about March 14, 1996, I was licensed to practice as a physician in the State of New York and issued License No. 202428 by the New York State Education Department.

My current address is

and I will advise the Director of the Office of Professional Medical Conduct of any change of address. I am affiliated with the following hospitals and/or facilities: VCS (outpatient,

Art. 31 clinic) 77 S. Main Street, New City, NY 10956

I understand that the New York State Board for Professional Medical Conduct ("the Board") has investigated the issues set forth in attached Exhibit "A".

I request that the Board and the Director of the Office of Professional Medical Conduct ("the Director"), in reliance upon the results of the investigation to date and upon my representation that I have practiced medicine without incident for at least a year before this Application, conclude the investigation of these issues, provided I successfully and without incident comply with the Conditions set forth below. In consideration of the Board

and the Director granting this Application, and upon the Board's election not to bring disciplinary charges against me, I agree that the Board and the Director shall issue an Order of Conditions Pursuant to N.Y. Pub. Health Law § 230.

I agree that the Order shall impose the following conditions:

That Licensee shall remain in continuous compliance with all requirements of N.Y. Educ. Law § 6502, including but not limited to the requirements that a licensee shall register, and continue to be registered, with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Licensee shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Order's effective date and shall continue at all times until the conclusion of the period of Practice Conditions, regardless of tolling; and

That Licensee shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the Department all information required by the Department to develop a public physician profile for the licensee; continue to notify the Department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update Licensee's profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to Licensee's

physician profile information either electronically using the Department's secure web site or on forms prescribed by the Department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the Department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Licensee remains a licensee in New York State.

Licensee's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law §230-a, including but not limited to revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Licensee shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Licensee's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Licensee shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after

the Order's effective date and shall continue at all times until Licensee receives written notification from OPMC, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Licensee shall cooperate fully with OPMC in its administration and enforcement of this Order, and in its investigation of Licensee. Licensee shall respond in a timely manner to all OPMC requests for written periodic verification of compliance with the terms of this Order, meet in person with the Director's designee, and respond promptly and provide all documents and information within Licensee's control to OPMC, as directed. This Condition shall take effect upon the Order's effective date and shall continue while Licensee possesses a license in New York; and

That for a period of three years from the Order's effective date, subject to the tolling provisions set forth below, Licensee shall be subject to additional conditions set forth as "Practice Conditions" enumerated in Exhibit "B", which is attached to and a part of this agreement.

I stipulate that my failure to comply with the conditions imposed by this order, if proven and found at a hearing pursuant to N. Y. Pub. Health Law § 230(10), shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(29). I agree that if I am charged with professional misconduct in future, this Application and Order **shall** be admitted into evidence in that proceeding.

I understand that nothing in this Application shall be construed as an admission by me of any act of alleged misconduct or as a finding of misconduct as to those issues referred to in Exhibit "A". I deny any acts of misconduct and reserve my right to assert all defenses I may have in any later or other proceeding.

I understand and agree that my failure to comply with, successfully complete, or satisfy any of the material conditions of this Order, and/or any unsatisfactory report by the practice monitor (if any), shall vest the Director with the authority, in the exercise of reasonable discretion, to vacate this agreement and shall permit the Director to pursue further investigation and/or prosecution of misconduct charges against me as to the issues set forth in Exhibit "A" to the full extent authorized by the Public Health Law and the Education Law.

I understand that an Order issued upon this Application does not bar prosecution for professional misconduct based upon allegations of violations of N.Y. Educ. Law § 6530 unrelated to the issues set forth in Exhibit "A", whether those alleged violations occurred before or after this Application. The Director may, at such time, also direct counsel to prepare charges that include allegations as to the issues set forth in Exhibit "A".

I agree that, if the Board grants this Application, the Chair of the Board shall issue an Order of Conditions in accordance with its terms. I further agree that the Department of Health **shall** notify the Federation of State Medical Boards of this Order of Conditions pursuant to N.Y. Pub. Health Law § 230, and that the change in my licensure status is not disciplinary in nature. I understand that the Department of Health **shall not** notify the

National Practitioner Data Bank. This Order of Conditions [with the exception of Exhibit "A," which shall remain a part of the investigative files of the Office of Professional Medical Conduct within the meaning of N.Y. Pub. Health Law § 230(10)(a)(v)] shall be posted on the Department of Health website(s).

I make this Application of my own free will and not under duress, compulsion, or restraint. In consideration of the value to me of the Board's acceptance of this Application, I waive my right to contest the Order for which I apply, whether administratively or judicially, I agree to be bound by the Order, and I ask that the Board grant this Application.

I understand and agree that the attorney for the Department of Health, the Director, and the Chair of the Board, each retain complete discretion either to enter into the proposed agreement and Order, based upon my Application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

- 2) Licensee shall adhere to federal and state guidelines and professional standards of care with respect to infection control practices. Licensee shall ensure education, training and oversight of all office personnel involved in medical care with respect to these practices.
- 3) Licensee shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients.
- 4) The Director may review Licensee's professional performance. This review may include but shall not be limited to a review of office records, patient records, hospital charts and/or electronic records; and interviews or periodic visits with Licensee and staff at practice locations or OPMC offices.
- 5) Licensee shall provide access for DOH personnel to Licensee's office(s) to verify Licensee's compliance with this Order. This access shall include, but not be limited to, on-site inspections, observation, and interviews.
- 6) Licensee shall enroll, or continue enrollment, in the New York State Committee for Physician Health (CPH) and shall engage in a contract with CPH that defines the

terms, conditions and duration of Licensee's monitoring program. Licensee shall comply with the contract. Licensee shall give written authorization for CPH to provide the Director of OPMC with all information or documentation requested by OPMC to determine whether Licensee is in compliance with the contract and with this Order, including full access to all records maintained by CPH with respect to Licensee.

- a. Licensee shall cause CPH to report to OPMC promptly if Licensee refuses to comply with the contract, refuses to submit to treatment or, if Licensee's impairment is not substantially alleviated by treatment.
- b. Licensee shall cause CPH to report immediately to OPMC if Licensee is regarded, at any time, to be an imminent danger to the public.

- 7) Licensee shall enroll in and successfully complete a continuing education program as directed by the Office of Professional Medical Conduct. This continuing education program is subject to the Director of OPMC's prior written approval.
- 8) The period of Practice Conditions shall toll when Licensee is not engaged in active medical practice in New York State for 30 consecutive days or more. Licensee shall notify the Director, in writing, if Licensee is not currently engaged in or intends to leave active medical practice in New York State for 30 consecutive days or more and Licensee shall then notify the Director again at least 14 days before returning to active medical practice in New York State. Upon Licensee's return to active medical practice in New York State, the period of Practice Conditions shall resume, and Licensee shall fulfill any unfulfilled terms and such additional requirements as the

Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.

- 9) Licensee shall provide the Director with, and ensure to keep current and effective, fully executed waivers of patient confidentiality concerning any previous and prospective treatment records; these waivers shall comply with the requirements of federal confidentiality laws and regulations, including but not limited to: HIPAA, Public Law 104-191, et seq., and the laws governing confidentiality of substance abuse records, at 42 U.S.C. § § 290dd-3 and ee-3 and 42 C.F.R, Part 2.
- 10) At the direction of the Director, Licensee shall submit to evaluations by a board-certified psychiatrist, licensed mental health practitioner or other health care professional or program, designated by the Director (hereafter "Evaluator"). Licensee shall provide the Evaluator with a copy of this Order and copies of all previous treatment records. OPMC, at its discretion, may provide information or documentation from its investigative files concerning Licensee to Licensee's Evaluator. The Evaluator shall report to the Director regarding Licensee's condition and fitness or incapacity to practice medicine. Licensee shall comply with all treatment recommendations based upon the evaluation; failure to comply with such treatment recommendations shall constitute professional misconduct.
- 11) Licensee shall comply with all terms, conditions, restrictions, and limitations imposed by this Order, and shall bear all related compliance costs. Upon receiving evidence of any violation of this Order, the Director of OPMC and/or the Board may initiate a proceeding against Licensee. Licensee's failure to comply with this Order,

if proven shall constitute professional misconduct as defined by N.Y. Educ. Law, including but not limited to N.Y. Educ. Law §6530(29), which defines professional misconduct to include "...violating any...condition...imposed on the Licensee pursuant to N.Y. Pub. Health Law § 230".
