OPPORTUNITY FOR HEARING ON FAILURE TO SUBMIT TO AN EXAMINATION  
AND  
NOTICE OF SUMMARY SUSPENSION  
BASED UPON PRESUMPTION OF AN ADMISSION OF INABILITY TO PRACTICE

January 13, 2010

Case number: 10-CRF- 008

Ieva Veveris, M.D.  
689 Chipplegate Dr.  
Dayton, OH 45459

Dear Dr. Veveris:

Due to your failure to submit to a physical examination, specifically a sleep study evaluation on December 7, 2009, as ordered by the State Medical Board of Ohio [Board] and your failure to notify the Board of any circumstances beyond your control preventing you from submitting to said examination, pursuant to Section 4731.22(B)(19), Ohio Revised Code, a legal presumption has been established that you have admitted the factual and legal allegations demonstrating an inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills, as alleged against you in the Board's letter dated November 12, 2009, and sent to you by certified mail [ November 12, 2009 certified letter], so ordering you to submit to such examination. Accordingly, the Secretary and the Supervising Member of the Board have determined that there is clear and convincing evidence that you have violated Section 4731.22(B)(19), Ohio Revised Code, and have further determined that your continued practice presents a danger of immediate and serious harm to the public, as set forth in paragraphs (1) through (5), below.

Therefore, pursuant to Section 4731.22(G), Ohio Revised Code, and upon recommendation of Lance A. Talmage, M.D., Secretary, and Raymond J. Albert, Supervising Member, you are hereby notified that, as set forth in the attached Entry of Order, your certificate to practice medicine or surgery in the State of Ohio is summarily suspended. Accordingly, at this time, you are no longer authorized to practice medicine and surgery in Ohio.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, and Chapter 4731., Ohio Revised Code, you are hereby notified that the Board intends, for one or more of the following reasons, to determine whether your failure to submit to the aforementioned examination was due to circumstances beyond your control, which would rebut the legal presumption of an inability to practice and merit termination of the instant summary suspension of your certificate in conjunction with rescheduling the examination as directed by the Board, or conversely, whether your failure to submit to the aforementioned examination was due to circumstances within your control, which would render the legal presumption of inability to practice conclusive and result in the Board further determining whether to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery, or to reprimand you or place you on probation based upon your legally admitted inability to practice:

- (1) By certified letter dated November 12, 2009, the Board notified you of its determination that it had reason to believe that you are in violation of Section 4731.22(B)(19), Ohio Revised Code, and ordered you to undergo a sleep study evaluation to determine if you are in violation of Section 4731.22(B)(19), Ohio Revised Code. The Board's determination was based upon one or more of the reasons outlined in such letter, which included four separate allegations relating to you falling asleep while with patients during their examinations or sessions.
- (2) The November 12, 2009 certified letter from the Board further notified you that, pursuant to Section 4731.22(B)(19), Ohio Revised Code, you were ordered to submit to an examination. The examination was scheduled to commence with Dr. Markus H. Schmidt, M.D., at the Ohio Sleep Institute [Ohio Sleep Institute] on December 7, 2009, at 2:00 p.m.

The November 12, 2009 certified letter from the Board further notified you that failure of an individual to submit to an examination as directed constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control. Finally, the letter notified you that if you failed to submit to the examination, and such failure was not due to circumstances beyond your control, the Board would be authorized to enter a default and final order without the taking of testimony or presentation of evidence.

- (3) You were duly notified of the examination order and its scheduled date. The certified letter return receipt is signed and dated November 16, 2009.
- (4) By letter from the Ohio Sleep Institute, dated December 10, 2009, and received by the Board on December 11, 2009, the Board was notified that you failed to appear for the examination that the Board scheduled for you. At no time did you inform the Board that your failure to appear was due to circumstances beyond your control. Accordingly,

Ieva Veveris, M.D.

Opportunity for Hearing on Failure to Submit to an Examination and

Notice of Summary Suspension Based Upon Presumption of an Admission of Inability to Practice

pursuant to Section 4731.22(B)(19), Ohio Revised Code, and in consideration of the affidavits of Sheldon Safko, Enforcement Attorney, and Kay Rieve, Administrative Officer, copies of which are attached hereto and fully incorporated herein, the Board hereby FINDS that you have admitted the truth of the allegations demonstrating inability to practice medicine as set forth in the November 12, 2009 certified letter from the Board. The Board FINDS that pursuant to Section 4731.22(B)(19), Ohio Revised Code, your failure to appear for the examination ordered by the Board as directed constitutes “[i]nability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills,” as that clause is used in Section 4731.22(B)(19), Ohio Revised Code.

- (5) Further, the Board has not received information that you have been determined to be capable of practicing in accordance with acceptable and prevailing standards of care.

Section 4731.22(B)(19), Ohio Revised Code, provides that any individual authorized to practice accepts the privilege of practicing in this state, and by doing so, shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the Board in writing; and that the expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination ordered by the Board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual’s control, and a default and final order may be entered without the taking of testimony or presentation of evidence.

Your acts, conduct, and/or omissions as alleged in paragraphs (1) through (5) above, individually and/or collectively, constitute “[i]nability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills,” as that clause is used in Section 4731.22(B)(19), Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, and Chapter 4731., Ohio Revised Code, you are hereby advised that you are entitled to a hearing concerning whether your failure to submit to the examination as directed was due to circumstances beyond your control. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of mailing of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

Ieva Veveris, M.D.

Notice of Summary Suspension Based Upon Presumption of an Admission of Inability to Practice

In the event that there is no request for such hearing received within thirty days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke, suspend, refuse to register or reinstate your certificate to practice medicine and surgery or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant a certificate to an applicant, revokes an individual's certificate to practice, refuses to register an applicant, or refuses to reinstate an individual's certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate."

Copies of the applicable sections are enclosed for your information.

Very truly yours,

Lance A. Talmage, M.D.

## Personal and Confidential

Ieva Veveris, M.D.  
689 Chipplegate Dr.  
Dayton, OH 45459

Dear Doctor Veveris:

The State Medical Board of Ohio [Board] has determined that it has reason to believe that you are in violation of Section 4731.22(B)(19), Ohio Revised Code, to wit: "[i]nability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills."

This determination is based upon one or more of the following reasons:

- (1) Commencing in the winter of 2005 through July 2008, and while employed as a psychiatrist at Grandview Hospital, Dayton, Ohio, and/or Daymont Behavioral Health Care, Dayton, Ohio, several patients have reported that you engaged in the following conduct:
  - (a) Fell asleep on a patient while speaking to her in person after her admission to Grandview Hospital. This patient indicates that you had done this before when seeing this patient at Daymont Behavioral Health Care.
  - (b) Fell asleep on a second patient during sessions with that patient. The patient reports you were awakened by the patient's loud laughter.
  - (c) Fell asleep during an office examination with a third patient.
  - (d) Fell asleep during an office examination with a fourth patient after arriving late for the appointment by over an hour and fifty minutes. This patient reports you fell asleep with your head dropping, at least six times during the examination.

- (2) You acknowledged to a Board staff member that there have been times when you have been on-call and awakened in the night, or have had a long day at the hospital, where you have dozed off during conversations with your patients.

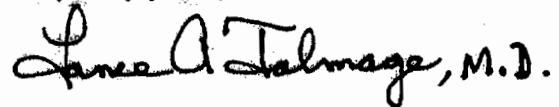

By the authority vested in the State Medical Board of Ohio by Section 4731.22(B)(19), Ohio Revised Code, you are ordered to submit to a sleep study evaluation. This examination will take place at The Ohio Sleep Medicine Institute, 4975 Bradenton Avenue, Dublin, Ohio 43017, and (614) 766-0773. You are to report to Doctor Markus H. Schmidt, on Monday, December 7, 2009, at 2 p.m. for such an evaluation and continuing as directed by Dr. Schmidt through December 8, 2009.

Pursuant to Section 4731.22(B)(19), Ohio Revised Code, you are responsible for the expense of this evaluation. The total estimated cost of this evaluation is \$2665.00. You must present a certified check or money order in this amount made payable to The Ohio Sleep Medicine Institute, to the examiner prior to the beginning of the examination. Failure to present a certified check or money order in the amount specified to the examiner will result in the examination being cancelled, and will be deemed by the Board to be a failure to submit to the examination as directed due to circumstances within your control.

Please be advised that failure to submit to this examination as directed constitutes an admission of the allegations against you unless the failure is due to circumstances beyond your control, and that a default and final order may thereupon be entered without the taking of testimony or presentation of evidence.

Copies of the applicable statute sections are enclosed for your information.

Very truly yours,

Lance A. Talmage, M.D.
