Dear Doctor Gomes:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio [Board] intends to determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) On or about December 1, 2023, a Board staff member requested that you submit documentation for a CME audit. You told the Board staff member that you would provide the required documentation. On or about December 8, 2023, you emailed the Board staff member requesting more time to submit documentation for the CME audit. The Board staff member requested that you provide an update within 30 days. On or about January 26, 2024, the Board staff member sent you a follow-up email requesting an update on obtaining your CME documentation. You did not respond to the Board staff member's request for information.

Your acts, conduct, and/or omissions as alleged in paragraph (1) above, individually and/or collectively, constitute "violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board," as that clause is used in Section 4731.22(B)(20), Ohio Revised Code, to wit: Evidence of Continuing Medical Education, Rule 4731-10-08, Ohio Administrative Code.

Furthermore, for any violations that occurred on or after September 29, 2015, the Board may impose a civil penalty in an amount that shall not exceed five thousand dollars, pursuant to Section 4731.282, Ohio Revised Code. The civil penalty may be in addition to any other action the Board may take under section 4731.22, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing

and must be received in the offices of the State Medical Board within thirty days of the time of service of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of service of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate."

Copies of the applicable sections are enclosed for your information.

Sincerely,

Kim G. Rothermel, M.D.
