

LICENSE NO. Q-8040

IN THE MATTER OF
THE LICENSE OF
JACQUELINE GENEVA CURTIS, M.D..

BEFORE THE
TEXAS MEDICAL BOARD

AGREED ORDER

On the 14 day of June, 2019, came on to be heard before the Texas Medical Board (the Board), duly in session, the matter of the license of Jacqueline Geneva Curtis, M.D. (Respondent).

On May 30, 2019, Respondent appeared in person, with counsel Louis Leichter, at an Informal Show Compliance Proceeding and Settlement Conference (ISC) in response to a letter of invitation from the staff of the Board. The Board's representatives were George L. De Loach, D.O., a member of the Board, and Larry Buehler, a member of a District Review Committee (Panel). Nikki Karr represented Board staff.

BOARD CHARGES

Board staff alleged Respondent's inability to practice medicine due to an illness, excessive use of medications, or a physical or mental condition. Specifically, it is alleged that Respondent presented for duty at the North Texas State Hospital and was not fit for duty.

BOARD HISTORY

Respondent has not previously received a disciplinary order from the Board.

Upon the recommendation of the Panel and with the consent of Respondent, the Board makes the following Findings and Conclusions of Law and enters this Agreed Order.

FINDINGS

The Board finds the following:

1. General Findings:
 - a. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under the Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (the Act) or the Rules of the Board.
 - b. Respondent currently holds Texas Medical License No. Q-8040. Respondent was originally issued this license to practice medicine in Texas on May 2, 2016. Respondent is not licensed to practice in any other state.
 - c. Respondent was primarily engaged in the practice of Psychiatry. Respondent is board certified by the American Board of Psychiatry and Neurology, a member of the American Board of Medical Specialties.
 - d. Respondent is 34 years of age.

2. Specific Panel Findings:
 - a. While completing her orientation and training at North Texas State Hospital as a locum tenens contract physician, Respondent was found by colleagues to be unfit for duty on August 10, 2018.
 - b. Respondent' employment was terminated and she was transported off hospital grounds by ambulance to an emergency room.

3. Mitigating Factor:

In determining the appropriate sanctions in this matter, the Panel considered the fact that Respondent has no prior Board history as a mitigating factor: To avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.

CONCLUSIONS OF LAW

Based on the above Findings, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.

2. Sections 164.051(a)(4)(A), (C) and (D) of the Act authorize the Board to take disciplinary action against Respondent based on Respondent's inability to practice medicine with reasonable skill and safety to patients because of illness, excessive use of drugs, narcotics, chemicals, or another substance, or as a result of any physical condition.

3. Section 164.052(a)(4) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent's use of alcohol or drugs in an intemperate manner that, in the opinion of the Board, could endanger the lives of patients.

4. Section 164.001 of the Act authorizes the Board to impose a range of disciplinary actions against a person for violation of the Act or a Board rule.

5. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.

6. Section 164.002(d) of the Act provides that this Agreed Order is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

ORDER

Based on the above Findings and Conclusions of Law, the Board ORDERS that Respondent shall be subject to the following terms and conditions:

1. Respondent shall not practice clinical medicine in Texas until such time as Respondent requests permission in writing to resume the practice of clinical medicine in Texas, personally appears before the Board to orally petition for permission to resume such practice, and provides clear and convincing evidence and information which in the discretion of the Board adequately indicates that Respondent is physically, mentally, and otherwise competent to safely practice clinical medicine. Respondent shall not petition the Board for lifting of this restriction until, at a minimum, she has undergone the Independent Medical Evaluation required by Ordering Paragraph No. 2, and provided letters from any treating physician stating that she is safely able to practice medicine. Upon presentation of clear and convincing evidence to the Board that Respondent is able to safely practice clinical medicine, this restriction may be lifted and Respondent may be permitted to resume clinical practice in Texas under such terms and conditions which the Board in its sole discretion determines are necessary to adequately protect the public.

2. **Independent Medical Evaluation:** Upon entry of this Order, the Executive Director of the Board will designate a physician who is board certified in psychiatry to serve as the Board's evaluating psychiatrist. Within 30 days thereafter, Respondent shall submit to and obtain an independent medical evaluation from the evaluating psychiatrist.

- (a) The independent medical evaluation shall be conducted as directed by the Board, including, at a minimum:
 - (1) Social history and background information;
 - (2) History of present illness;
 - (3) Mental status exam;
 - (4) **Review of Respondent's medical records and other pertinent information;**
 - (5) **Review of the records at issue in Respondent's disciplinary case, legal case 19-0195;**
 - (6) **Review of Respondent's patient prescribing history on the Physician Monitoring Program;**
 - (7) Current DSM multiaxial diagnosis, and
 - (8) Recommendations regarding continued care and treatment.
- (b) The Compliance Division of the Board shall furnish a copy of this Order to the evaluating psychiatrist, who shall make a full report to the Compliance Division of the Board regarding the evaluating psychiatrist's evaluation of Respondent and recommendations.
- (c) Respondent shall pay all fees charged by the evaluating psychiatrist.
- (d) Respondent shall follow all recommendations made by the evaluating psychiatrist regarding continued care and treatment.
- (e) Respondent's failure to cooperate with the evaluating psychiatrist or failure to follow the evaluating psychiatrist's recommendations shall constitute a violation of this Order.
- (f) If the evaluating psychiatrist recommends continued care and treatment, the Executive Director shall notify Respondent to submit within 30 days letters from up to three physicians who are board certified in psychiatry and who agree to serve as Respondent's approved treating psychiatrist.

- (1) The letters from proposed treating psychiatrist(s) shall state that they:
 - a. have been provided a copy of this Order;
 - b. agree to provide psychiatric treatment to Respondent; and
 - c. agree to provide periodic reports regarding Respondent's compliance with treatment and rehabilitation to (a) the Compliance Division of the Board or (b) an independent monitoring psychiatrist.
- (2) A proposed treating psychiatrist may not be approved unless the proposed treating psychiatrist agrees to provide periodic reports either to the Compliance Division of the Board or to an independent monitoring psychiatrist.
- (3) The Executive Director may reject all of the proposed treating psychiatrists and require the submission of additional letters or approve one or more to be the approved treating psychiatrist.
- (4) Respondent shall begin the recommended care and treatment within 30 days after notification of approval of the treating psychiatrist.
- (5) Respondent shall pay all fees charged by the treating psychiatrist.
- (6) Respondent shall follow all recommendations made by the treating psychiatrist regarding continued care and treatment.
- (7) Board staff may furnish to the treating psychiatrist any Board information that it determines, in its discretion, may be helpful or required for the treatment of Respondent.
- (8) The treating psychiatrist shall provide periodic written reports no less than quarterly, on March 15, June 15, September 15, and December 15 of each year, during Respondent's treatment, either directly to the Compliance Division of the Board or to an independent monitoring psychiatrist. Periodic reports shall include: (a) current diagnosis; (b) treatment regimen; (c) treatment compliance; (d) follow-up recommendations; and (e) prognosis. The Board or an independent monitoring psychiatrist may request clarification of periodic reports and may request additional reports.
- (9) The treating psychiatrist may require Respondent to participate in alcohol and/or drug screens and shall immediately report any positive results either

directly to the Compliance Division of the Board or to an independent monitoring psychiatrist.

- (10) The treating psychiatrist shall immediately report, either directly to the Compliance Division of the Board or to an independent monitoring psychiatrist, any unilateral withdrawal from treatment by Respondent.
- (11) Respondent shall execute any and all releases for medical records and authorizations necessary to effectuate the provisions of this Order.
- (12) Respondent's failure to cooperate with the treating psychiatrist or failure to follow the treating psychiatrist's recommendations shall constitute a violation of this Order.

3. **Monitoring Continued Care and Treatment:** During any continued care and treatment, the Board shall monitor Respondent's compliance with treatment and rehabilitation, either directly through the treating psychiatrist or through an independent monitoring psychiatrist designated by the Executive Director.

- (a) If the approved treating psychiatrist agrees to provide reports directly to the Compliance Division of the Board, with the consent of Respondent, the Executive Director may authorize the treating psychiatrist to serve in the dual capacity as treating psychiatrist for Respondent and monitoring psychiatrist for the Board.
- (b) If the approved treating psychiatrist does not agree to provide periodic reports to the Compliance Division of the Board, or if Respondent does not consent, or if the Executive Director requires an independent monitoring psychiatrist, the Executive Director shall designate a physician who is board certified in psychiatry to serve as the Board's independent monitoring psychiatrist. Respondent shall pay all fees charged by an independent monitoring psychiatrist.
- (c) An independent monitoring psychiatrist may require Respondent to present for a personal interview up to twice each year during treatment.
- (d) Respondent shall authorize the treating psychiatrist to provide information necessary for monitoring by the Board, either directly to the Compliance Division of the Board or through an independent monitoring psychiatrist. The information shall be limited to the minimum information necessary to ensure adequate

assessment of Respondent's compliance with treatment, rehabilitation, and compliance with the terms of this Order.

- (e) An independent monitoring psychiatrist shall provide periodic written reports to the Compliance Division of the Board no less than semi-annually, on March 15 and September 15 of each year, during Respondent's treatment. The monitoring reports shall include: (a) current diagnosis; (b) treatment regimen; (c) treatment compliance; (d) follow-up recommendations; and (e) prognosis.
- (f) Board staff may furnish to the monitoring psychiatrist any Board information that it determines, in its discretion, may be helpful or required for the effective monitoring of Respondent's compliance with treatment, rehabilitation, and compliance with this Order.
- (g) Respondent's failure to cooperate with the monitoring psychiatrist shall constitute a violation of this Order.

4. Upon completion of the requirements set forth in Ordering Paragraph No. 2, Respondent shall appear at an Informal Settlement Conference before a panel of Board representatives upon written request mailed to Respondent's last known address on file with the Board at least 10-calendar days before the requested appearance date. Such appearance shall be for the purpose of reporting on and addressing issues related to the evaluation required by Ordering Paragraph No. 2.

5. At all times while Respondent is under the terms of this Order, Respondent shall give a copy of this Order to all hospitals, nursing homes, treatment facilities, and other health care entities where Respondent has privileges, has pending an application for privileges, applies for privileges, or otherwise practices. Within 30 days of being first contacted by the Compliance Division of the Board following entry of this Order, Respondent shall provide to the Compliance Division of the Board documentation, including proof of delivery, that the Order was delivered to all such facilities.

6. Pursuant to Board rule 189.15, the time period of this Order shall be extended for any period of time that: (a) Respondent subsequently practices exclusively outside the State of Texas; (b) this Order is stayed or enjoined by Court Order; or (c) for any period of time longer than 60 consecutive days that Respondent does not actively practice medicine and such cessation in

practice is NOT due to a suspension of Respondent's license. Respondent shall immediately notify the Board in writing in the event that Respondent leaves Texas to practice elsewhere or ceases active practice for more than 60 consecutive days. Upon Respondent's return to active practice or return to Texas, Respondent shall notify the Board in writing. Upon return to Texas or active practice, Respondent shall be required to comply with the terms of this Order for the period of time remaining on the Order. Respondent shall pay all fees for reinstatement or renewal of a license covering the period of extension or tolling. Tolling shall be in accordance with Board Rule 189.15. Ordering Paragraphs 1, 2 and 3 shall not be tolled.

7. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent's practice.

8. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

9. Respondent shall inform the Board in writing of any change of Respondent's office or mailing address within 10 days of the address change. This information shall be submitted to the Registration Department and the Compliance Department of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that 10 days' notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives the 30-day notice requirement provided by §164.003(b)(2) of the Medical Practice Act and agrees to 10 days' notice, as provided in 22 Texas Administrative Code §187.44(4).

10. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

11. Respondent shall not be permitted to supervise or delegate prescriptive authority to physician assistants and advanced practice nurses.

12. The above-referenced conditions shall continue in full force and effect without opportunity for amendment, except for clear error in drafting, for one year following the date of the entry of this Order. If, after the passage of the one-year period, Respondent wishes to seek amendment or termination of these conditions, Respondent may petition the Board in writing. The Board may inquire into the request and may, in its sole discretion, grant or deny the petition without further appeal or review. Petitions for modifying or terminating may be filed only once a year thereafter.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.
