At the time, respondent had a number of patients scheduled to see him that day and on subsequent days, and had not arranged for any substitute care or medication followup for any of these patients, nor did his employer have readily available physician staff for this purpose.

CONCLUSIONS OF LAW

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED that effective on the date of this Order, the license to practice medicine and surgery of respondent is **SUSPENDED** for a period of not less than five (5) years.

a. Respondent may apply for an initial stay, and then for consecutive three (3) month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed on the respondent for rehabilitation and practice during the prior three (3) month period. "Three months" means until the third regular Board meeting after the meeting at which any stay of suspension is granted.

b. The Board may without hearing deny an application for extension of the stay, or commence other appropriate action, upon receipt of information that respondent has violated any of the terms or conditions of this Order. If the Board denies the petition by the respondent for an extension, the Board shall afford an opportunity for hearing in accordance with the procedures set forth in ch. RL 1, Wis. Adm. Code upon timely receipt of a request for hearing.

c. Upon a showing by respondent of successful compliance for a period of five years of active practice with the terms of this order and upon a showing that respondent has made satisfactory restitution for any losses caused by the conduct described above and compliance with all other terms of this Order, the Board may grant a petition by the Respondent for return of full licensure. (See ¶25, below.)

d. The applications for stays of suspension, and all required reports under this Order, shall be due on the 1st day of any month that respondent wishes a stay to commence (the Board will then consider the matter at its regular meeting during that month), and each three months thereafter, for the period that this Order remains in effect.

IT IS FURTHER ORDERED, that the license to practice medicine and surgery of respondent is **LIMITED** as set forth in §448.02(3)(e), Wis. Stats., and as follows:

1. Respondent shall not engage in the practice of medicine and surgery in any capacity unless in full compliance with the rehabilitation and treatment programs specified and approved

under this Order. Respondent shall forthwith surrender all indicia of registration to the Department by mail or in person, and the Department shall then issue limited registration credentials to respondent. Respondent shall also surrender all indicia of registration to any agent of the Department who requests them.

REHABILITATION, MONITORING AND TREATMENT

Treatment Required

2. **Enrollment.** Respondent shall enroll and continue successful participation in all components of a drug and alcohol treatment program at a treatment facility acceptable to the Board as respondent's Supervising Health Care Provider shall determine to be appropriate for respondent's rehabilitation. Professional Recovery Network and its affiliated programs are acceptable treatment facilities.

Therapy. The rehabilitation program shall include and respondent shall participate in individual and/or group therapy sessions for the first year of the stayed suspension upon a schedule as recommended by the supervising physician or therapist, but not less than once weekly. Such therapy shall be conducted by the supervising physician or therapist, or another qualified physician or therapist as designated by the supervising physician or therapist and acceptable to the Board. After the first year of stayed suspension, this requirement for therapy sessions may be modified only upon written petition, and a written recommendation by the supervising physician or therapist expressly supporting the modifications sought. A denial of such petition for modification shall not be deemed a denial of the license under §§ 227.01(3) or 227.42, Wis. Stats., or ch. RL 1, Wis. Adm. Code, and shall not be subject to any right to further hearing or appeal.

AA/NA Meetings. 3. Respondent shall obtain a Supervising Health Care provider acceptable to the Board for the full term of this limited license. Charles Engel, M.D., or another physician affiliated with Professional Recovery Network is acceptable to the Board as Supervising Health Care Provider, but respondent may propose another provider at any time. The Supervising Health Care Provider shall be responsible for coordinating Respondent's rehabilitation, drug monitoring and treatment program as required under the terms of this Order. The Supervising Health Care Provider may designate another qualified health care provider acceptable to the Board to exercise the duties and responsibilities of the Supervising Health Care Provider in his or her absence. In the event that a supervising Health Care Provider is unable or unwilling to serve as Supervising Health Care Provider, the Board shall in its sole discretion select a successor Supervising Health Care Provider.

5. Respondent shall abstain from all personal use of alcohol.
6. Respondent shall in addition refrain from the consumption of over-the-counter medications or other substances which may mask consumption of controlled substances or of alcohol, or which may create false positive screening results, or which may interfere with respondent's treatment and rehabilitation. Respondent shall report all medications and drugs, over-the-counter or prescription, taken by respondent to the Supervising Health Care Provider within 24 hours of ingestion or administration, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs. Within 24 hours of a request by the Supervising Health Care Provider or the Board or its designee, Respondent shall provide releases which comply with state and federal laws authorizing release of all health care records by the person who prescribed, dispensed, administered or ordered this medication for respondent. These releases shall also authorize the Supervising Health Care Provider, the Board or its designee to discuss the Respondent's health care with the person who prescribed, dispensed, administered or ordered this medication. The terms of this paragraph shall not be deemed to modify or negate Respondent's obligations as set forth in this Order.

The Department Monitor may be reached as follows:

TEL. (608) 267-7139

Releases

8. Respondent shall provide and keep on file with the Supervising Health Care Provider, all treatment facilities and personnel, laboratories and collections sites current releases which comply with state and federal laws authorizing release of all urine, blood and hair specimen screen results and medical and treatment records and reports to, and permitting the Supervising Health Care Provider and all treating physicians and therapists to disclose and discuss the progress of respondent's treatment and rehabilitation with the Board or any member thereof, or with any employee of the Department of Regulation and Licensing acting under the authority of the Board. Copies of these releases shall be filed simultaneously with the Department Monitor.

Drug and Alcohol Screens

9. Respondent shall supply on at least a twice-weekly basis, random monitored urine, blood or hair specimens as the Supervising Health Care Provider shall direct. The Supervising Health Care Provider (or designee) shall request the specimens from Respondent and these requests shall be random with respect to the hour of the day and the day of the week. In addition, the Board or its designee may at any time request a random monitored urine, blood or hair specimen from Respondent by directing the Department Monitor in the Department of Regulation and Licensing, Division of Enforcement to contact Respondent and request Respondent provide a specimen. To prevent the respondent's ability to predict

that no further screens will be required for a given period (because the minimum frequency for that period has been met), the program of monitoring shall require respondent to provide in each quarter at least two (2) random screenings in excess of the minimums specified in this Order.

10. Respondent shall keep the Supervising Health Care Provider informed of Respondent's location and shall be available for contact by the Supervising Health Care Provider at all times.
11. All requested urine, blood or hair specimens shall be provided by Respondent within five (5) hours of the request for the specimen. All urine specimen collections shall be a split sample accomplished by dividing urine from a single void into two specimen bottles. The total volume of the split sample shall be at least 45 ml. of urine. All split sample urine specimens, blood specimens and hair specimens shall be collected, monitored and chain of custody maintained in conformity with the collection, monitoring and chain of custody procedures set forth in 49 CFR Part 40. Urine specimen collections shall be by direct observation if:
 - a. The Respondent must provide an additional specimen because Respondent's initial specimen was outside of the normal temperature range (32.5 - 37.7°C/90.5 - 99.8°F) and respondent refuses to have an oral body temperature measurement or respondent does provide an oral body temperature measurement and the reading varies by more than 1°C/1.8°F from the temperature of the urine specimen;
 - b. Respondent's last provided specimen was determined by the laboratory to have a specific gravity of less than 1.003 and creatinine concentration below 0.2 g/l;
 - c. The collection site person observes Respondent acting in such a manner to provide reason to believe that Respondent may have attempted or may attempt to substitute or adulterate the specimen. The collection site person, if he or she believes that the initial urine specimen may have been adulterated or a substitution made, shall direct Respondent to provide an additional observed urine specimen;
 - d. The last provided specimen resulted in a positive or suspected positive test result for the presence of controlled substances; or
 - e. The Board (or any member of the Board), the Department Monitor, or Respondent's Supervising Health Care Provider directs that the urine specimen collection be by direct observation.

If either of the above conditions (a) or (c) requires collection of an additional observed urine specimen, the collection of the subsequent specimen shall be accomplished within the required five (5) hours of the request for the initial specimen; the collection of the initial specimen shall not satisfy the requirement that the urine specimen be collected within five (5) hours of the request for the initial specimen.

12. The drug and alcohol treatment program in which Respondent is enrolled shall at all times utilize a United States Department of Health and Human Services certified laboratory for the analysis of all specimens collected from Respondent.
13. The drug and alcohol treatment program in which Respondent is enrolled shall utilize only those urine, blood and hair specimen collection sites for collection of Respondent's urine, blood or hair specimens as comply with the United States Department of Transportation collection and chain of custody procedures set forth in 49 CFR Part 40.

14. The Supervising Health Care Provider, treatment facility, laboratory and collection site shall maintain a complete and fully documented chain of custody for each urine, blood or hair specimen collected from Respondent.
15. Every urine specimen collected from Respondent shall be analyzed at the time of collection for tampering by measurement of the temperature of the specimen and the oral temperature of Respondent. Every urine specimen collected from Respondent shall be further analyzed at the laboratory for tampering by measuring the creatinine concentration and the specific gravity of the specimen. The laboratory may at its discretion or at the direction of a Supervising Health Care Provider or the Board or any member thereof conduct additional tests to evaluate the urine specimen for tampering including, but not limited to, pH, color and odor.
16. Every urine, blood or hair specimen collected from Respondent shall be analyzed for alcohol, amphetamine, cocaine, opiates, phencyclidine, marijuana, methadone, propoxyphene, methaqualone, barbiturates, benzodiazepines * or the metabolites thereof. The Board or its designated agent may at any time direct that screens for additional substances and their metabolites be conducted by scientific methods and instruments appropriate to detect the presence of these substances. The laboratory shall conduct confirmatory tests of positive or suspected positive test results by appropriate scientific methods and instruments including, but not limited to, gas chromatography and mass spectrometry.
17. All urine, blood or hair specimens remaining after testing shall be maintained in a manner necessary to preserve the integrity of the specimens for at least seven (7) days; and all positive or suspected positive urine, blood or hair specimens remaining after testing shall be so maintained for a period of at least one (1) year. The Supervising Health Care Provider or the Board or any member thereof may direct that the urine, blood or hair specimens be maintained for a longer period of time.
18. For the purpose of further actions affecting Respondent's license under this Order, it shall be presumed that all confirmed positive reports are valid. Respondent shall have the burden of proof to establish that the positive report was erroneous and that the respondent's specimen sample did not contain alcohol or controlled substances or their metabolites.
19. If any urine, blood or hair specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Supervising Health Care Provider shall determine to be appropriate to clarify or confirm the positive or suspected positive urine, blood or hair specimen test results.

Required Reporting by Supervising Health Care Provider, and laboratories

20. The Supervising Health Care Provider shall report immediately to the Department Monitor in the Department of Regulation and Licensing, Division of Enforcement by FAX or telephonic communication: any failure of Respondent to provide a urine, blood or hair specimen within five (5) hours from the time it was requested; or of any inability to locate Respondent to request a specimen. The laboratory shall immediately report all urine specimens suspected to have been tampered with and all urine, blood or hair specimens which are positive or suspected positive for controlled substances or alcohol to the Department Monitor, and to the Supervising Health Care Provider.

21. The laboratory shall within 48 hours of completion of each drug or alcohol analysis mail the report from all specimens requested of Respondent under this Order to the Department Monitor (regardless of whether the laboratory analysis of the specimen was positive or negative for controlled substances, their metabolites or alcohol). Each report shall state the date and time the specimen was requested; the date and time the specimen was collected; the results of the tests performed to detect tampering; and the results of the laboratory analysis for the presence of controlled substances and alcohol.
22. The Supervising Health Care Provider shall submit formal written reports to the Department Monitor in the Department of Regulation and Licensing, Division of Enforcement, P.O. Box 8935, Madison, Wisconsin 53708-8935 on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's progress in the drug and alcohol treatment program and summarize the results of the urine, blood or hair specimen analyses. 25. Respondent shall appear before the Board at least annually to review the progress of treatment and rehabilitation. Respondent may petition the Board for modification of the terms of this limited license and the Board shall consider Respondent's petition at the time it meets with Respondent to review the progress of rehabilitation. Any such petition shall be accompanied by a written recommendation from respondent's Supervising Health Care Provider expressly supporting the specific modifications sought. Denial of the petition in whole or in part shall not be considered a denial of a license within the meaning of Sec. 227.01(3)(a), Stats. and Respondent shall not have a right to any further hearings or proceedings on any denial in whole or in part of the petition for modification of the limited license.

After five years of continuous active professional practice under this Order and without relapse, upon satisfactory restitution of any losses caused by respondent's conduct which led to this Order, and upon recommendation of the Supervising Health Care Provider and Professional Mentor, respondent may petition the Board for a termination of all limitations on the license, and restoration of an unlimited license. A petition for rehearing shall specify in detail the grounds for relief sought and supporting authorities. Rehearing will be granted only on the basis of some material error of law, material error of fact, or new evidence sufficiently strong to reverse or modify the Order which could not have been previously discovered by due diligence. The agency may order a rehearing or enter an order disposing of the petition without a hearing. If the agency does not enter an order disposing of the petition within 30 days of the filing of the petition, the petition shall be deemed to have been denied at the end of the 30 day period.

A petition for rehearing is not a prerequisite for judicial review.

B. JUDICIAL REVIEW.

Any person aggrieved by this decision may petition for judicial review as specified in section 227.53, Wisconsin Statutes (copy on reverse side). The petition for judicial review must be filed in circuit court where the petitioner resides, except if the petitioner is a non-resident of the state, the proceedings shall be in the circuit court for Dane County. The petition should name as the respondent the Department, Board, Examining Board, or Affiliated Credentialing Board which issued the Final Decision and Order. A copy of the petition for judicial review must also be served upon the respondent at the address listed below.

A petition for judicial review must be served personally or by certified mail on the respondent and filed with the court within 30 days after service of the Final Decision and Order if there is no petition for rehearing, or within 30 days after service of the order finally disposing of a petition for rehearing, or within 30 days after the final disposition by operation of law of any petition for rehearing. Courts have held that the right to judicial review of administrative agency decisions is dependent upon strict compliance with the requirements of sec. 227.53 (1) (a), Stats. This statute requires, among other things, that a petition for review be served upon the agency and be filed with the clerk of the circuit court within the applicable thirty day period.

The 30 day period for serving and filing a petition for judicial review commences on the day after personal service or mailing of the Final Decision and Order by the agency, or, if a petition for rehearing has been timely filed, the day after personal service or mailing of a final decision or disposition by the agency of the petition for rehearing, or the day after the final disposition by operation of the law of a petition for rehearing. The date of mailing of this Final Decision and Order is shown above.

The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is a person aggrieved by the decision, and the grounds specified in section 227.57, Wisconsin Statutes, upon which the petitioner contends that the decision should be reversed or modified. The petition shall be entitled in the name of the person serving it as Petitioner and the Respondent as described below.

ORDER GRANTING THE STAY

On April 22, 1998, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, Dr. Koziol's license to practice medicine and surgery in Wisconsin suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission to the board of proof satisfactory to the board that Dr. Koziol had satisfactorily complied with the terms and conditions set forth in the Order during the previous three month period.

At its meeting of November 19, 1998, the board considered Dr. Koziol's request that he be granted a stay of the suspension. Also considered was a letter from Jae Yong Shim, M.D. agreeing to act as Dr. Koziol's mentor, as required by the Order. By its Order dated November 27, 1998, the stay was granted and Dr. Shim was approved to act as Dr. Koziol's designated Professional Mentor during the term of the limited license

On January 20, 1999, the board considered evidence of violation by Dr. Koziol of the terms and conditions of his limited license. Dr. Koziol appeared to explain the circumstances of those violations, and the board considered the matter on that date. The board thereafter stayed the suspension of his license for a further period of three months by its Order dated January 27, 1999.

On March 25, 1999, and June 23, 1999, the board considered Dr. Koziol's requests for further three month stays of the suspension of his license. The board granted the requests by its Orders dated March 31, 1999 and July 2, 1999.

On December 15, 1999, the board considered Dr. Koziol's petition for a further three month stay of the suspension of his license. The board granted the extension.

On April 19, 2000, the board considered Dr. Koziol's request for a further stay of the suspension of his license. The board also considered evidence that Dr. Koziol has not been entirely compliant with the limitations on the license. Accordingly, it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the suspension of the license of Raymond S. Koziol, M.D., be, and hereby is, stayed for a further period of **one month**. Dr. Koziol shall appear before the board at its meeting of May 17, 2000, to discuss with the board his compliance with the terms and conditions on his license.

Respondent

On April 22, 1998, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, Dr. Koziol's license to practice medicine and surgery in Wisconsin suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission to the board of proof satisfactory to the board that Dr. Koziol had satisfactorily complied with the terms and conditions set forth in the Order during the previous three month period.

At its meeting of November 19, 1998, the board considered Dr. Koziol's request that he be granted a stay of the suspension. Also considered was a letter from Jae Yong Shim, M.D. agreeing to act as Dr. Koziol's mentor, as required by the Order. By its Order dated November 27, 1998, the stay was granted and Dr. Shim was approved to act as Dr. Koziol's designated Professional Mentor during the term of the limited license

On January 20, 1999, the board considered evidence of violation by Dr. Koziol of the terms and conditions of his limited license. Dr. Koziol appeared to explain the circumstances of those violations, and the board considered the matter on that date. The board thereafter stayed the suspension of his license for a further period of three months by its Order dated January 27, 1999.

On March 25, 1999, and June 23, 1999, the board considered Dr. Koziol's requests for further three month stays of the suspension of his license. The board granted the requests by its Orders dated March 31, 1999 and July 2, 1999.

On December 15, 1999, the board considered Dr. Koziol's petition for a further three month stay of the suspension of his license. The board granted the extension.

On April 19, 2000, the board considered Dr. Koziol's request for a further stay of the suspension of his license. The board also considered evidence that Dr. Koziol had not been entirely compliant with the limitations on the license. The board extended the stay for one month only, and ordered that Dr. Koziol appear before the board at its meeting of May 17, 2000. Dr. Koziol did not appear before the board on May 17, 2000, as requested, and the board denied the stay on that date.

On June 22, 2000, Dr. Koziol appeared before the board in support of his petition that the stay of the suspension of his license be reinstated, and his further petition that the number of required therapy sessions and urine screens both be reduced. The board granted the stay, reduced the number of required therapy sessions to one per month, and reduced the number of required urine screens to one per week.

On September 20, 2000, the board considered Dr. Koziol's request for a further three month stay of the suspension of his license. The board also considered evidence that Dr. Koziol has again not been compliant with the board's Order. This time, Dr. Koziol reported to Charles J. Engel, his supervising Health Care Provider, that Dr. Koziol has not been attending any 12-step recovery group meetings, as required by the board's Order. The board denied the stay by its Order dated September 27, 2000.

Dr. Koziol, along with Attorney Mark S. Stern, appeared before the board on November 15, 2000, in support of Dr. Koziol's petition for reinstatement of the stay. The board considered the petition on that date, and denied the request by its Order dated November 25, 2001.

On February 21, 2001, Dr. Koziol appeared before the board, along with Attorney Mark Stern, to again petition for a stay of the suspension of his license. Based upon that petition, and upon evidence of Dr. Koziol's current compliance with the terms of his limited license, the board orders as follows:

NOW, THEREFORE, IT IS ORDERED that the request for reinstatement of the stay of the suspension of the license of Raymond S. Koziol, M.D., be, and hereby is, granted. Dr. Koziol may petition for further stays of the suspension, which shall be granted upon demonstration of full compliance with the board's Order during the preceding three month period.

Dated this 26th day of February, 2001.

BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

RAYMOND S. KOZIOL, M.D.,

Respondent

ORDER GRANTING THE STAY

On April 22, 1998, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, Dr. Koziol's license to practice medicine and surgery in Wisconsin suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission to the board of proof satisfactory to the board that Dr. Koziol had satisfactorily complied with the terms and conditions set forth in the Order during the previous three month period.

At its meeting of November 19, 1998, the board considered Dr. Koziol's request that he be granted a stay of the suspension. Also considered was a letter from Jae Yong Shim, M.D. agreeing to act as Dr. Koziol's mentor, as required by the Order. By its Order dated November 27, 1998, the stay was granted and Dr. Shim was approved to act as Dr. Koziol's designated Professional Mentor during the term of the limited license

On January 20, 1999, the board considered evidence of violation by Dr. Koziol of the terms and conditions of his limited license. Dr. Koziol appeared to explain the circumstances of those violations, and the board considered the matter on that date. The board thereafter stayed the suspension of his license for a further period of three months by its Order dated January 27, 1999.

On March 25, 1999, and June 23, 1999, the board considered Dr. Koziol's requests for further three month stays of the suspension of his license. The board granted the requests by its Orders dated March 31, 1999 and July 2, 1999.

On December 15, 1999, the board considered Dr. Koziol's petition for a further three month stay of the suspension of his license.

[\[1\]](#)

The board granted the extension.

On April 19, 2000, the board considered Dr. Koziol's request for a further stay of the suspension of his license. The board also considered evidence that Dr. Koziol had not been entirely compliant with the limitations on the license. The board extended the stay for one month only, and ordered that Dr. Koziol appear before the board at its meeting of May 17, 2000. Dr. Koziol did not appear before the board on May 17, 2000, as requested, and the board denied the stay on that date.

On June 22, 2000, Dr. Koziol appeared before the board in support of his petition that the stay of the suspension of his license be reinstated, and his further petition that the number of required therapy sessions and urine screens both be reduced. The board granted the stay, reduced the number of required therapy sessions to one per month, and reduced the number of required urine screens to one per week.

On September 20, 2000, the board considered Dr. Koziol's request for a further three month stay of the suspension of his license. The board also considered evidence that Dr. Koziol has again not been compliant with the board's Order. This time, Dr. Koziol reported to Charles J. Engel, his Supervising Health Care Provider, that Dr. Koziol has not been attending any 12-step recovery group meetings, as required by the board's Order. The board denied the stay by its Order dated September 27, 2000.

Dr. Koziol, along with Attorney Mark S. Stern, appeared before the board on November 15, 2000, in support of Dr. Koziol's petition for reinstatement of the stay. The board considered the petition on that date, and denied the request by its Order dated November 25, 2001.

On February 21, 2001, Dr. Koziol appeared before the board, along with Attorney Mark Stern, to again petition for a stay of the suspension of his license. Based upon that petition, and upon evidence of Dr. Koziol's current compliance with the terms of his limited license, the board granted the stay.

On April 18, 2001, the board considered evidence that Dr. Koziol has violated the limitations on his license by both consuming unprescribed controlled substances and repeatedly failing to appear for therapy sessions. The stay was terminated and the suspension of Dr. Koziol's license went into effect.

On October 17, 2001, Dr. Koziol appeared before the board in support of his request that the stay of the suspension of his license be reinstated. The board granted that request.

On January 23, 2002, the board granted Dr. Koziol's request for a further stay of the suspension of his license.

On April 24, 2002, the board granted Dr. Koziol's request for a further stay, and his further request for reduction in the number of required urine screens to two per month

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

RAYMOND S. KOZIOL, M.D.,

Respondent

ORDER DENYING REINSTATEMENT

On April 22, 1998, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, Dr. Koziol's license to practice medicine and surgery in Wisconsin suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission to the board of proof satisfactory to the board that Dr. Koziol had satisfactorily complied with the terms and conditions set forth in the Order during the previous three month period.

At its meeting of November 19, 1998, the board considered Dr. Koziol's request that he be granted a stay of the suspension. Also considered was a letter from Jae Yong Shim, M.D. agreeing to act as Dr. Koziol's mentor, as required by the Order. By its Order dated November 27, 1998, the stay was granted and Dr. Shim was approved to act as Dr. Koziol's designated Professional Mentor during the term of the limited license

On January 20, 1999, the board considered evidence of violation by Dr. Koziol of the terms and conditions of his limited license. Dr. Koziol appeared to explain the circumstances of those violations, and the board considered the matter on that date. The board thereafter stayed the suspension of his license for a further period of three months by its Order dated January 27, 1999.

On March 25, 1999, and June 23, 1999, the board considered Dr. Koziol's requests for further three month stays of the suspension of his license. The board granted the requests by its Orders dated March 31, 1999 and July 2, 1999.

On December 15, 1999, the board considered Dr. Koziol's petition for a further three month stay of the suspension of his license. [\[1\]](#) The board granted the extension.

On April 19, 2000, the board considered Dr. Koziol's request for a further stay of the suspension of his license. The board also considered evidence that Dr. Koziol had not been entirely compliant with the limitations on the license. The board extended the stay for one month only, and ordered that Dr. Koziol appear before the board at its meeting of May 17, 2000. Dr. Koziol did not appear before the board on May 17, 2000, as requested, and the board denied the stay on that date.

On June 22, 2000, Dr. Koziol appeared before the board in support of his petition that the stay of the suspension of his license be reinstated, and his further petition that the number of required therapy sessions and urine screens both be reduced. The board granted the stay, reduced the number of required therapy sessions to one per month, and reduced the number of required urine screens to one per week.

On September 20, 2000, the board considered Dr. Koziol's request for a further three month stay of the suspension of his license. The board also considered evidence that Dr. Koziol has again not been compliant with the board's Order. This time, Dr. Koziol reported to Charles J. Engel, his Supervising Health Care Provider, that Dr. Koziol has not been attending any 12-step recovery group meetings, as required by the board's Order. The board denied the stay by its Order dated September 27, 2000.

Dr. Koziol, along with Attorney Mark S. Stern, appeared before the board on November 15, 2000, in support of Dr. Koziol's petition for reinstatement of the stay. The board considered the petition on that date, and denied the request by its Order dated November 25, 2001.

On February 21, 2001, Dr. Koziol appeared before the board, along with Attorney Mark Stern, to again petition for a stay of the suspension of his license. Based upon that petition, and upon evidence of Dr. Koziol's current compliance with the terms of his limited license, the board granted the stay.

On April 18, 2001, the board considered evidence that Dr. Koziol has violated the limitations on his license by both consuming unprescribed controlled substances and repeatedly failing to appear for therapy sessions. The stay was terminated and the suspension of Dr. Koziol's license went into effect.

On October 17, 2001, Dr. Koziol appeared before the board in support of his request that the stay of the suspension of his license be reinstated. The board granted that request.

On January 23, 2002, the board granted Dr. Koziol's request for a further stay of the suspension of his license.

On April 24, 2002, the board granted Dr. Koziol's request for a further stay, and his further request for reduction in the number of required urine screens to two per month

On July 24, 2002, and October 23, 2002, the board granted Dr. Koziol's requests for further three month stays of the suspension.

On December 18, 2002, the board considered evidence that Dr. Koziol had again relapsed to the use of controlled substances on one occasion in November, 2002. Accordingly, the board denied the stay.

On February 19, 2003, the board denied Dr. Koziol's request for reinstatement of the stay of his license, and ordered that he must appear before the board in support of any renewal of his petition.

On April 23, 2003, the board considered Dr. Koziol's request for reinstatement of the stay. But while Dr. Koziol was scheduled to appear, he failed to do so. Accordingly, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Dr. Koziol's request for reinstatement of the stay of suspension of his license is denied. Dr. Koziol shall appear in support of any further petition for a stay.

Dated this 25th day of April, 2003.

The board also considered evidence that Dr. Koziol has again not been compliant with the board's Order. This time, Dr. Koziol reported to Charles J. Engel, his Supervising Health Care Provider, that Dr. Koziol has not been attending any 12-step recovery group meetings, as required by the board's Order. The board denied the stay by its Order dated September 27, 2000.

Dr. Koziol, along with Attorney Mark S. Stern, appeared before the board on November 15, 2000, in support of Dr. Koziol's petition for reinstatement of the stay. The board considered the petition on that date, and denied the request by its Order dated November 25, 2001.

On February 21, 2001, Dr. Koziol appeared before the board, along with Attorney Mark Stern, to again petition for a stay of the suspension of his license. Based upon that petition, and upon evidence of Dr. Koziol's current compliance with the terms of his limited license, the board granted the stay.

On April 18, 2001, the board considered evidence that Dr. Koziol has violated the limitations on his license by both consuming unprescribed controlled substances and repeatedly failing to appear for therapy sessions. The stay was terminated and the suspension of Dr. Koziol's license went into effect.

On October 17, 2001, Dr. Koziol appeared before the board in support of his request that the stay of the suspension of his license be reinstated. The board granted that request.

On January 23, 2002, the board granted Dr. Koziol's request for a further stay of the suspension of his license.

On April 24, 2002, the board granted Dr. Koziol's request for a further stay, and his further request for reduction in the number of required urine screens to two per month

On July 24, 2002, and October 23, 2002, the board granted Dr. Koziol's requests for further three month stays of the suspension.

On December 18, 2002, the board considered evidence that Dr. Koziol had again relapsed to the use of controlled substances on one occasion in November, 2002. Accordingly, the board denied the stay.

On February 19, 2003, the board denied Dr. Koziol's request for reinstatement of the stay of his license, and ordered that he must appear before the board in support of any renewal of his petition.

On April 23, 2003, the board considered Dr. Koziol's request for reinstatement of the stay. But while Dr. Koziol was scheduled to appear, he failed to do so, and the board therefore denied reinstatement.

On May 21, 2003, Dr. Koziol appeared before the board in support of his petition for reinstatement of the stay. The stay was granted, and a further stay was granted on August 20, 2003.

On November 19, 2003, the board considered Dr. Koziol's request for a further three month stay. Based upon all information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Dr. Koziol's request a stay of suspension of his license is granted, and the suspension of his license is hereby stayed for an additional period of three months.

Dated this 28th day of November, 2003.

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF :
DISCIPLINARY PROCEEDINGS AGAINST :
 : LS9804224MED
RAYMOND S. KOZIOL, M.D., :
Respondent :
 :

ORDER GRANTING STAY

On April 22, 1998, the Medical Examining Board (Board) issued its Final Decision and Order in the above-captioned matter. By the terms of the Board's order, Dr. Koziol's license to practice medicine and surgery in Wisconsin was suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission to the Board of proof satisfactory to the Board that Dr. Koziol had satisfactorily complied with the terms and conditions set forth in the Order during the previous three month period.

At its meeting of November 19, 1998, the Board considered Dr. Koziol's request that he be granted a stay of the suspension. Also considered was a letter from Jae Yong Shim, M.D., agreeing to act as Dr. Koziol's mentor, as required by the Order. By its Order dated November 27, 1998, the stay was granted and Dr. Shim was approved to act as Dr. Koziol's designated Professional Mentor during the term of the limited license.

On January 20, 1999, the Board considered evidence of violation by Dr. Koziol of the terms and conditions of his limited license. Dr. Koziol appeared to explain the circumstances of those violations, and the Board considered the matter on that date. The Board thereafter stayed the suspension of his license for a further period of three months by its Order dated January 27, 1999.

On March 25, 1999, and June 23, 1999, the Board considered Dr. Koziol's requests for further three month stays of the suspension of his license. The Board granted the requests by its Orders dated March 31, 1999, and July 2, 1999.

On December 15, 1999, the Board considered Dr. Koziol's petition for a further three month stay of the suspension of his license. [\[1\]](#) The Board granted the extension.

On April 19, 2000, the Board considered Dr. Koziol's request for a further stay of the suspension of his license. The Board also considered evidence that Dr. Koziol had not been entirely compliant with the limitations on the license. The Board extended the stay for one month only, and ordered that Dr. Koziol appear before the Board at its meeting of May 17, 2000. Dr. Koziol did not appear before the Board on May 17, 2000, as requested, and the Board denied the stay on that date.

On June 22, 2000, Dr. Koziol appeared before the Board in support of his petition that the stay of the suspension of his license be reinstated, and his further petition that the number of required therapy sessions and urine screens both be reduced. The Board granted the stay, reduced the number of required therapy sessions to one per month, and reduced the number of required urine screens to one per week.

On September 20, 2000, the Board considered Dr. Koziol's request for a further three month stay of the suspension of his license. The Board also considered evidence that Dr. Koziol has again not been compliant with the board's Order. This time, Dr. Koziol reported to Charles J. Engel, his Supervising Health Care Provider, that Dr. Koziol has not been attending any 12-step recovery group meetings, as required by the Board's Order. The Board denied the stay by its Order dated September 27, 2000.

Dr. Koziol, along with Attorney Mark S. Stern, appeared before the Board on November 15, 2000, in support of Dr.

Koziol's petition for reinstatement of the stay. The Board considered the petition on that date, and denied the request by its Order dated November 25, 2001.

On February 21, 2001, Dr. Koziol appeared before the Board, along with Attorney Mark Stern, to again petition for a stay of the suspension of his license. Based upon that petition, and upon evidence of Dr. Koziol's current compliance with the terms of his limited license, the Board granted the stay.

On April 18, 2001, the Board considered evidence that Dr. Koziol has violated the limitations on his license by both consuming unprescribed controlled substances and repeatedly failing to appear for therapy sessions. The stay was terminated and the suspension of Dr. Koziol's license went into effect.

On October 17, 2001, Dr. Koziol appeared before the Board in support of his request that the stay of the suspension of his license be reinstated. The Board granted that request.

On January 23, 2002, the Board granted Dr. Koziol's request for a further stay of the suspension of his license.

On April 24, 2002, the Board granted Dr. Koziol's request for a further stay, and his further request for reduction in the number of required urine screens to two per month

On July 24, 2002, and October 23, 2002, the Board granted Dr. Koziol's requests for further three month stays of the suspension.

On December 18, 2002, the Board considered evidence that Dr. Koziol had again relapsed to the use of controlled substances on one occasion in November, 2002. Accordingly, the Board denied the stay.

On February 19, 2003, the Board denied Dr. Koziol's request for reinstatement of the stay of his license, and ordered that he must appear before the Board in support of any renewal of his petition.

On April 23, 2003, the Board considered Dr. Koziol's request for reinstatement of the stay. But while Dr. Koziol was scheduled to appear, he failed to do so, and the Board therefore denied reinstatement.

On May 21, 2003, Dr. Koziol appeared before the Board in support of his petition for reinstatement of the stay. The stay was granted, and a further stay was granted on August 20, 2003.

On November 19, 2003, the Board considered Dr. Koziol's request for reinstatement of the stay. The stay was granted.

On February 18, 2004, the Board considered Dr. Koziol's request for a further three month stay. Based upon all information of record herein, the Board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Dr. Koziol's request for a stay of suspension of his license is granted, and the suspension of his license is hereby stayed for an additional period of three months.

Dated this 24th day of February, 2004.
