The examiner received a Stipulation submitted by the parties in the above-captioned matter, a copy of which is attached hereto. The Stipulation was executed by Karl I. Strelnick, M.D., the Respondent; Robert T. Kasdorf, the Respondent's attorney; and Gilbert C. Lubcke, the Complainant's attorney.

Based upon the Stipulation, the examiner recommends that the Medical Examining Board adopt as its final decision in this case the following Findings of Fact, Conclusions of Law, and Order, which are based upon the terms agreed upon and stipulated to by the parties.

FINDINGS OF FACT

1. Karl I. Strelnick, M.D. of 2700 Marshall Court, Madison, Wisconsin 53705 is a physician duly licensed to practice medicine and surgery in the State of Wisconsin, and his license bears #20180 and was granted on July 16, 1976.

2. Pursuant to Wis. Stats. sec. 448.13 and Wis. Adm. Code sec. MED 13.02(1) Karl I. Strelnick was required to attend and complete a total of at least 30 hours of continuing medical education programs or courses of study approved by the Medical Examining Board in the years 1982 and 1983, and submit proof attendance at and completion of these continuing medical education programs or courses of study to the Medical Examining Board at the time of Karl I. Strelnick's application for a certificate of registration for the 1984-85 biennium.

3. Karl I. Strelnick, as part of his application for a certificate of registration for the 1984-85 biennium, submitted a statement signed by him on November 27, 1983, which provides: "I have completed 30 hours of AMA or AOA Category 1 continuing medical education within the two calendar years immediately preceding the biennium for which this application for registration is made and I have evidence of this which I will furnish to the Medical Examining Board upon request.

4. The Medical Examining Board, acting in reliance upon Karl I. Strelnick's statement of November 27, 1983 granted Karl I. Strelnick's application for a certificate of registration for the 1984-85 biennium.

5. Pursuant to Wis. Adm. Code sec. MED 13.05(2) Respondent was required to retain evidence of compliance with the continuing medical education requirements of Wis. Stats. sec. 448.13 and Wis. Adm. Code sec. MED 13.02(1) through the biennium for which 30 hours of credit were required for registration.

6. Pursuant to Wis. Adm. Code sec. MED 13.06 the Medical Examining Board, to audit compliance with continuing medical education requirements, had the authority to request Karl I. Strelnick to submit to the Medical Examining Board evidence of compliance with the continuing medical education requirements of Wis. Stats. sec. 448.13 and Wis. Adm. Code sec. MED 13.02(1), and Karl I. Strelnick had the duty to comply with this request.

7. The Medical Examining Board by a letter dated April 9, 1984, from Deanna Zychowski, Administrative Assistant to the Medical Examining Board, advised Karl I. Strelnick that he had been selected at random for an audit check of his continuing medical education credits accumulated during the years 1982 and 1983, and that he was required to submit evidence of attendance at and completion of continuing medical education programs or courses of study approved for at least 30 hours of credit by the Medical Examining Board for 1982 and 1983.

8. Karl I. Strelnick failed to retain evidence of compliance with his continuing medical education requirements and, therefore, was able to submit proof of attendance at only 6 hours of the required 30 hours of continuing medical education for the years 1982 and 1983.

9. Karl I. Strelnick stipulated to a public reprimand, and further agreed to take an additional 24 hours of Category 1 continuing medical education and to submit proof of attendance at and completion of said 24 hours of continuing medical education to the Medical Examining Board office, P.O. Box 8936, 1400 East Washington Avenue, Madison, Wisconsin 53708-8936 on or before October 15, 1984. The document submitted in proof of attendance at and completion of these 24 hours of Category 1 continuing medical education shall conform to the requirements of Wis. Adm. Code sec. MED 13.05(1). Karl I. Strelnick also stipulated that he would not apply or attempt to apply all or any part of the 24 hours of Category 1 continuing medical education earned to satisfy the requirements of this stipulation towards satisfaction of his continuing medical education requirements for the 1986-87 biennium.

CONCLUSIONS OF LAW

1. The Medical Examining Board has jurisdiction in this proceeding pursuant to Wis. Stats. secs. 448.02(3) and 227.07(5).

2. Karl I. Strelnick's conduct was in violation of a provision or term of a valid rule of the Medical Examining Board, to wit: Wis. Adm. Code secs. MED 13.05(2) and MED 13.06 and, therefore, constitutes unprofessional conduct within the meaning of Wis. Stats. sec. 448.02(3) and Wis. Adm. Code sec. MED 10.02(2)(a).

ORDER

NOW, THEREFORE, IT IS ORDERED that the Stipulation of the parties, a copy of which is attached hereto, is accepted.

IT IS FURTHER ORDERED that Karl I. Strelnick is reprimanded.

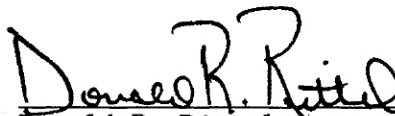

IT IS FURTHER ORDERED that Karl I. Strelnick take an additional 24 hours of Category 1 continuing medical education and submit proof of attendance at and completion of said 24 hours of continuing medical education to the Medical Examining Board office, P.O. Box 8936, 1400 East Washington Avenue, Madison, Wisconsin 53708-8936 on or before October 15, 1984. The document submitted in proof of attendance at and completion of these 24 hours of Category 1 continuing medical education shall conform to the requirements of Wis. Adm. Code sec. MED 13.05(1). Karl I. Strelnick shall not apply or attempt to apply all or any part of the 24 hours of Category 1 continuing medical education earned to satisfy the requirements of the Stipulation and this Order towards satisfaction of his continuing medical education requirements for the 1986-87 biennium.

IT IS FURTHER ORDERED that Count II of the Complaint is dismissed.

(If any term of this Proposed Decision is not adopted by the Medical Examining Board, then no term or condition of the attached Stipulation, upon which this Proposed Decision is based, shall be binding in manner upon any party (Wis. Adm. Code sec. RL 2.12), and the matter shall be remanded to the examiner for further proceedings.)

Dated at Madison, Wisconsin this 25<sup>th</sup> day of July, 1984.

Respectfully submitted,

ORDER GRANTING PETITION IN PART

---

By its Final Decision and Order in the above-captioned matter dated March 27, 1987, the Medical Examining Board accepted the voluntary surrender of the license of Karl L. Strelnick to practice medicine and surgery in Wisconsin. On December 28, 1989, the board granted Dr. Strelnick's petition to reinstate the license, subject to certain terms and conditions. The license was limited in part to require that Dr. Strelnick's entire practice be under the supervision of a psychiatrist satisfactory to the board, and that his practice be limited to psychiatric assessment and evaluation, treatment planning, and medical management of male patients in an institutional setting. By letter dated January 13, 1992, Dr. Strelnick, by attorney David Relles, petitioned the board to approve Jon E. Gudeman, M.D., and Joseph B. Layde, M.D., J.D., as his joint supervisors in his employment with Milwaukee County Mental Health Complex. He also petitioned for removal of the requirement that he treat only men. Dr. Strelnick and Mr. Relles appeared before the board at its meeting of January 23, 1992, in support of the petition, and the board considered the matter on that date.

Based upon Dr. Strelnick's petition and all other information of record herein, the Medical Examining Board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that John E. Gudeman, M.D., and Joseph P. Layde, M.D., J.D., are approved to act as Dr. Strelnick's practice supervisors in his employment at Milwaukee County Mental Health Complex.

IT IS FURTHER ORDERED that Dr. Strelnick's practice be also supervised by L. Ronald Cromwell, M.D., Ph.D., Associate Medical Director of Milwaukee County Mental Health Complex. Dr. Strelnick shall be responsible for submission of Dr. Cromwell's *curriculum vitae* to the board for its approval.

IT IS FURTHER ORDERED that Dr. Strelnick's petition to remove the limitation on his license which restricts his practice to the treatment only of men be, and hereby is, denied; and all conditions and limitations on Dr. Strelnick's license established by the board's Order Granting the Limited License dated December 28, 1989, shall remain in place.

IT IS FURTHER ORDERED that Dr. Strelnick shall appear before the board for oral interview at the end of six months from the date hereof.

#### DISCUSSION

Dr. Strelnick's proposed employment with Milwaukee County Mental Health Complex appears consistent with the limitations imposed on his practice, with the exception that his duties would include treatment of a limited number of women. This will be Dr. Strelnick's first period of practice under his limited license, and there is therefore no less basis for imposition of the prohibition against treating women than there was at the time the limited license was issued. It is true that his employment will be highly structured, but the limitations on his license require no less. Accordingly, this is not a factor militating for removal of the restriction. Moreover, the restriction will reportedly not result in his loss of this employment opportunity, and the board therefore concludes that it should remain in place.

The board is somewhat concerned whether there will be consistent availability of Doctors Gudeman and Layde to provide the level of supervision required by the limited license. The board therefore also concludes that Dr. Cromwell, Associate Medical Director of the facility, should be included in the supervisory loop.

IN THE MATTER OF  
DISCIPLINARY PROCEEDINGS AGAINST

KARL STRELNICK, M.D.,

Respondent

ORDER GRANTING LIMITED LICENSE

On March 27, 1987, the Medical Examining Board filed its Final Decision and Order in the above-captioned matter. By the terms of the board's Order, the board accepted the surrender of the license of Karl Strelnick, M.D., (respondent) to practice medicine and surgery in the State of Wisconsin. The Order further provided that respondent was permitted to reapply for licensure after April 10, 1989.

By application dated August 7, 1989, respondent applied for reinstatement of his license. He appeared before the board at its meeting of August 24, 1989, and the board considered the matter on that date. After deliberation, the board decided that it would be assisted in making a decision in the matter by receipt of a complete psychological assessment of respondent addressing the question whether his relicensure at this time would be consistent with the public health and safety. Such a psychological evaluation was performed by John C. Gonsiorek, Ph.D., on September 22, 1989; Dr. Gonsiorek's report was submitted to the board on October 16, 1989; and the board again considered the matter at its meeting on October 26, 1989. The board and respondent thereafter entered into a Stipulation, by which the board agreed to issue, and respondent agreed to accept, a limited license to practice medicine and surgery.

Based upon the Stipulation of the parties, and upon all other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Karl Strelnick, M.D., be, and hereby is, granted a limited license to practice medicine and surgery in Wisconsin incorporating the following terms and conditions:

1. The term of the limited license shall be for one year from the date hereof. Respondent shall appear before the board at the end of that time in support of any petition for renewal of the license.
2. Respondent's practice of medicine shall be limited to psychiatric assessment and evaluation, treatment planning, and medical management of male patients in an institutional inpatient setting. Respondent shall not practice any form of intensive or in-depth psychotherapy, and shall not do psychotherapy of any nature with severely disturbed individuals, particularly those carrying an Axis II diagnosis.

3. Respondent's entire practice of medicine shall be under the supervision of a psychiatrist satisfactory to the board. The supervising psychiatrist shall be made fully aware of the circumstances of respondent's surrender of his license.
4. Respondent shall provide current releases to all of his treatment facilities and personnel, complying with state and federal laws, authorizing release of all of respondent's medical and treatment records to his supervising psychiatrist and to the Medical Examining Board. Copies of the releases shall be filed simultaneously with the board.
5. Respondent shall be responsible for submission to the board of quarterly formal written reports prepared by his supervising psychiatrist setting forth respondent's activities and progress in his practice. Respondent's supervising psychiatrist must agree to immediately notify the board if the supervisor concludes that respondent has violated any of the terms and conditions of his limited license, or that respondent has engaged in any other conduct which may be deemed to constitute a danger to patient or public.
6. Respondent shall continue to participate in therapy with Jan Singer, MSW, on a basis deemed appropriate by Ms. Singer, but no less than once each month.
7. Respondent shall be responsible for submission to the board of quarterly formal written reports prepared by Ms. Singer setting forth respondent's progress in treatment, and confirming that in Ms. Singer's professional opinion, respondent's continued licensure is consistent with the public health and safety.
8. Respondent may petition the board for termination or modification of the terms and limitations on his license two years following the date of this Order. Any such petition must be supported both by respondent's supervising psychiatrist and by Ms. Singer.
9. All costs associated with complying with the terms of the limited license shall be borne by respondent.
10. Should the board determine that there is probable cause to believe that respondent has violated the board's order adopting the terms of this Stipulation, the board may order that respondent's license be summarily suspended pending investigation of the alleged violation.

As ordered, Dr. Strelnick appeared before the board at its meeting of July 23, 1992. At that time, Dr. Strelnick petitioned the board to permit him to apply for and to hold a DEA registration. The board denied the request by its Order dated July 30, 1992.

Dr. Strelnick again appeared before the board as required by the board's Order on January 21, 1993. At that time, he petitioned for renewal of the limited license, and again requested that his DEA registration be permitted. The board considered the matter on that date.

Based upon Dr. Strelnick's petition and other matters of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the license of Karl L. Strelnick, M.D., to practice medicine and surgery in Wisconsin be, and hereby is, renewed for a period of one year. Dr. Strelnick shall appear before the board at the end of six months for oral interview.

IT IS FURTHER ORDERED that all terms and conditions on the license imposed by the board's Order Granting Limited License dated December 28, 1989, as modified by the board's Order Granting Petition in Part dated January 27, 1992, shall remain in full force and effect.

DISCUSSION

While Dr. Strelnick has now practiced successfully for approximately one year, it would appear that his working relationships at his place of employment may still be in a state of flux. The board therefore feels that some longer period of stable practice is necessary before it grants any changes in the terms and conditions of Dr. Strelnick's licensure.

By letter dated January 13, 1992, Dr. Strelnick, by attorney David Relles, petitioned the board to approve Jon E. Gudeman, M.D., and Joseph B. Layde, M.D., J.D., as his joint supervisors in his employment with Milwaukee County Mental Health Complex. He also petitioned for removal of the requirement that he treat only men. Dr. Strelnick and Mr. Relles appeared before the board at its meeting of January 23, 1992, in support of the petition, and the board considered the matter on that date.

By its *Order Granting Petition in Part* dated January 27, 1992, the board approved Drs. Gudeman and Layde as Dr. Strelnick's practice supervisors, ordered that Dr. L. Ronald Cromwell be included in the supervisory team, denied Dr. Strelnick's petition to remove the condition on his license prohibiting him from treating women in his practice, and ordered that Dr. Strelnick appear before the board at the end of six months.

As ordered, Dr. Strelnick appeared before the board at its meeting of July 23, 1992. At that time, Dr. Strelnick petitioned the board to permit him to apply for and to hold a DEA registration. The board denied the request by its Order dated July 30, 1992.

Dr. Strelnick again appeared before the board as required by the board's Order on January 21, 1993. At that time, he petitioned for renewal of the limited license, and again requested that his DEA registration be permitted. The board considered the matter on that date, and denied the petition by its Order dated January 29, 1993.

Pursuant to the board's Order, Dr. Strelnick appeared before the board at its meeting of January 20, 1994. At that time, Dr. Strelnick petitioned for a change in the conditions of his license to permit

him to trade coverage with other inpatient psychiatrists. The board considered the request on that date, and denied the petition by its Order dated January 29, 1994.

Dr. Strelnick again appeared on January 26, 1995, in support of renewal of his limited license. The board considered the matter on that date, and renewed the limited license for six months

Dr. Strelnick's next meeting with the board was on July 27, 1995. This time, Dr. Strelnick requested that he be permitted to see on an outpatient basis at the reception center of the Milwaukee County Mental Health Complex male patients previously attended on an inpatient basis. The board considered the request on that date and orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the license of Karl I. Strelnick, M.D., to practice medicine and surgery in Wisconsin, and hereby is, renewed for a period of six months. Dr. Strelnick shall appear before the board at the end of six months in support of renewal of the license.

IT IS FURTHER ORDERED that Dr. Strelnick's petition to permit him to treat former inpatient patients on an outpatient basis is denied.

DISCUSSION

The board has few misgivings with permitting Dr. Strelnick to counsel patients previously seen on an inpatient basis following their release. Nonetheless, Dr. Strelnick's practice supervisor neither requested nor formally supported the practice, and the board needs to learn of Dr. Layde's position on the matter prior to considering the request further.

ORDER RENEWING THE LICENSE AND GRANTING PETITION IN PART

---

By its Final Decision and Order in the above-captioned matter dated March 27, 1987, the Medical Examining Board accepted the voluntary surrender of the license of Karl I. Strelnick to practice medicine and surgery in Wisconsin. On December 28, 1989, the board granted Dr. Strelnick's petition to reinstate the license, subject to certain terms and conditions. The license was limited in part to require that Dr. Strelnick's entire practice be under the supervision of a psychiatrist satisfactory to the board, and that his practice be limited to psychiatric assessment and evaluation, treatment planning, and medical management of male patients in an institutional setting.

By letter dated January 13, 1992, Dr. Strelnick, by attorney David Relles, petitioned the board to approve Jon E. Gudeman, M.D., and Joseph B. Layde, M.D., J.D., as his joint supervisors in his employment with Milwaukee County Mental Health Complex. He also petitioned for removal of the requirement that he treat only men. Dr. Strelnick and Mr. Relles appeared before the board at its meeting of January 23, 1992, in support of the petition, and the board considered the matter on that date.

By its *Order Granting Petition in Part* dated January 27, 1992, the board approved Drs. Gudeman and Layde as Dr. Strelnick's practice supervisors, ordered that Dr. L. Ronald Cromwell be included in the supervisory team, denied Dr. Strelnick's petition to remove the condition on his license prohibiting him from treating women in his practice, and ordered that Dr. Strelnick appear before the board at the end of six months.

As ordered, Dr. Strelnick appeared before the board at its meeting of July 23, 1992. At that time, Dr. Strelnick petitioned the board to permit him to apply for and to hold a DEA registration. The board denied the request by its Order dated July 30, 1992.

Dr. Strelnick again appeared before the board as required by the board's Order on January 21, 1993. At that time, he petitioned for renewal of the limited license, and again requested that his DEA registration be permitted. The board considered the matter on that date, and denied the petition by its Order dated January 29, 1993.

Pursuant to the board's Order, Dr. Strelnick appeared before the board at its meeting of January 20, 1994. At that time, Dr. Strelnick petitioned for a change in the conditions of his license to permit him to trade coverage with other inpatient psychiatrists. The board considered the request on that date, and denied the petition by its Order dated January 29, 1994.

Dr. Strelnick again appeared on January 26, 1995, in support of renewal of his limited license. The board considered the matter on that date, and renewed the limited license for six months

Dr. Strelnick's next meeting with the board was on July 27, 1995. This time, Dr. Strelnick requested that he be permitted to see on an outpatient basis at the reception center of the Milwaukee County Mental Health Complex male patients previously attended on an inpatient basis. The board considered the request on that date and denied the request by its Order dated August 3, 1995.

Pursuant to the August 3, 1995 Order, Dr. Strelnick appeared before the board on January 26, 1996. At that time, he petitioned the board for a number of modifications to his limited license. First, he requested that he be permitted to treat outpatients; second, that he be permitted to treat females, third, that he be permitted to treat all patients, regardless of diagnosis; and, finally, that he be permitted to hold a DEA registration.

Based upon all information of record herein, the board orders as follows:

#### ORDER

NOW, THEREFORE, IT IS ORDERED that the license of Karl I. Strelnick, M.D., to practice medicine and surgery in Wisconsin be, and hereby is, renewed for a period of six months. Dr. Strelnick shall appear before the board at the end of six months in support of renewal of the license.

IT IS FURTHER ORDERED that Dr. Strelnick's limited license is hereby modified to permit him to treat male outpatients.

IT IS FURTHER ORDERED that Dr. Strelnick's limited license is hereby modified to permit him to treat all male patients, regardless of diagnosis.

IT IS FURTHER ORDERED that Dr. Strelnick's limited license is hereby modified to permit him to apply for and hold a DEA registration.

IT IS FURTHER ORDERED that Dr. Strelnick's petition to permit him to treat female patients is denied.

DISCUSSION

This partial granting of Dr. Strelnick's request for modification of the limitations on his license recognizes his rehabilitative progress over the past number of years. It will require a considerable period of practice under these relaxed limitations, however, before the board will be comfortable in considering any modification to the requirement that he refrain from treating female patients.

Dr. Strelnick again appeared before the board as required by the board's Order on January 21, 1993. At that time, he petitioned for renewal of the limited license, and again requested that his DEA registration be permitted. The board considered the matter on that date, and denied the petition by its Order dated January 29, 1993.

Pursuant to the board's Order, Dr. Strelnick appeared before the board at its meeting of January 20, 1994. At that time, Dr. Strelnick petitioned for a change in the conditions of his license to permit him to trade coverage with other inpatient psychiatrists. By letter dated February 21, 1997, Jon E. Gudeman, M.D., Medical Director of the Milwaukee County Mental Health Complex, requested that Dr. Strelnick's limited license be modified consistent with changes being made in the administration of the mental Health Complex. While four alternative modifications were suggested, the most desirable from Dr. Gudeman's point of view would permit Dr. Strelnick to practice on an acute adult inpatient unit with both males and females present, and would permit him to evaluate, diagnose and treat both males and females on that ward without another mental health professional being actually present when services are provided to females. The board considered the request at its meeting of February 26, and again at its meeting of May 22, 1997, and orders as follows:

#### ORDER

NOW, THEREFORE, IT IS ORDERED that the license of Karl I. Strelnick, M.D., to practice medicine and surgery in Wisconsin be, and hereby is, renewed for a period of six months. Dr. Strelnick shall appear before the board at the end of six months in support of renewal of the license.

ORDER RENEWING THE LICENSE

---

By its Final Decision and Order in the above-captioned matter dated March 27, 1987, the Medical Examining Board accepted the voluntary surrender of the license of Karl I. Strelnick to practice medicine and surgery in Wisconsin. On December 28, 1989, the board granted Dr. Strelnick's petition to reinstate the license, subject to certain terms and conditions. The license was limited in part to require that Dr. Strelnick's entire practice be under the supervision of a psychiatrist satisfactory to the board, and that his practice be limited to psychiatric assessment and evaluation, treatment planning, and medical management of male patients in an institutional setting.

By letter dated January 13, 1992, Dr. Strelnick, by attorney David Relles, petitioned the board to approve Jon E. Gudeman, M.D., and Joseph B. Layde, M.D., J.D., as his joint supervisors in his employment with Milwaukee County Mental Health Complex. He also petitioned for removal of the requirement that he treat only men. Dr. Strelnick and Mr. Relles appeared before the board at its meeting of January 23, 1992, in support of the petition, and the board considered the matter on that date.

By its *Order Granting Petition in Part* dated January 27, 1992, the board approved Drs. Gudeman and Layde as Dr. Strelnick's practice supervisors, ordered that Dr. L. Ronald Cromwell be included in the supervisory team, denied Dr. Strelnick's petition to remove the condition on his license prohibiting him from treating women in his practice, and ordered that Dr. Strelnick appear before the board at the end of six months.

As ordered, Dr. Strelnick appeared before the board at its meeting of July 23, 1992. At that time, Dr. Strelnick petitioned the board to permit him to apply for and to hold a DEA registration. The board denied the request by its Order dated July 30, 1992.

Dr. Strelnick again appeared before the board as required by the board's Order on January 21, 1993. At that time, he petitioned for renewal of the limited license, and again requested that his DEA registration be permitted. The board considered the matter on that date, and denied the petition by its Order dated January 29, 1993.

Pursuant to the board's Order, Dr. Strelnick appeared before the board at its meeting of January 20, 1994. At that time, Dr. Strelnick petitioned for a change in the conditions of his license to permit him to trade coverage with other inpatient psychiatrists. The board considered the request on that date, and denied the petition by its Order dated January 29, 1994.

Dr. Strelnick again appeared on January 26, 1995, in support of renewal of his limited license. The board considered the matter on that date, and renewed the limited license for six months

Dr. Strelnick's next meeting with the board was on July 27, 1995. This time, Dr. Strelnick requested that he be permitted to see on an outpatient basis at the reception center of the Milwaukee County Mental Health Complex male patients previously attended on an inpatient basis. The board considered the request on that date and denied the request by its Order dated August 3, 1995.

Pursuant to the August 3, 1995 Order, Dr. Strelnick appeared before the board on January 26, 1996. At that time, he petitioned the board for a number of modifications to his limited license. First, he requested that he be permitted to treat outpatients; second, that he be permitted to treat females, third, that he be permitted to treat all patients, regardless of diagnosis; and, finally, that he be permitted to hold a DEA registration. By its Order dated January 30, 1996, the board granted Dr. Strelnick's petition, except that the request that he be permitted to treat female patients was denied.

By letter dated February 21, 1997, Jon E. Gudeman, M.D., Medical Director of the Milwaukee County Mental Health Complex, requested that Dr. Strelnick's limited license be modified consistent with changes being made in the administration of the mental Health Complex. While four alternative modifications were suggested, the most desirable from Dr. Gudeman's point of view would permit Dr. Strelnick to practice on an acute adult inpatient unit with both males and females present, and would permit him to evaluate, diagnose and treat both males and females on that ward without another mental health professional being actually present when services are provided to females. The board considered the request at its meeting of February 26, and again at its meeting of May 22, 1997, and thereafter entered its Order dated June 5, 1997, by which Dr. Strelnick's limited license was modified to permit him to practice on an acute adult inpatient service unit at Milwaukee County Mental Health Complex which has both males and females on the ward; and to permit him to evaluate, diagnose and treat both males and females on that ward without the actual physical presence of another mental health professional in the immediate practice area.

Pursuant to the board's Order, Dr. Strelnick next appeared before the board at its meeting of July 24, 1997, in support of renewal of his limited license. The board considered the matter on that date, and renewed the license for an additional period of six months.

Dr. Strelnick's next appearance before the board came on January 22, 1998. Dr. Strelnick did not request any modification to the terms of his limited license, but merely requested that the

license be renewed for an additional period of six months. The board considered the matter on that date.

ORDER

NOW, THEREFORE, IT IS ORDERED that the license of Karl I. Strelnick, M.D., to practice medicine and surgery in Wisconsin be, and hereby is, renewed for a period of six months. Dr. Strelnick shall appear before the board at the board's July, 1998, meeting in support of renewal of the license.

Dated this 28th day January, 1998.

## NOTICE OF RIGHTS OF APPEAL

TO: KARL I STRELNICK MD

You have been issued a Final Decision and Order. For purposes of service the date of mailing of this Final Decision and Order is 2/6/98. Your rights to request a rehearing and/or judicial review are summarized below and set forth fully in the statutes reprinted on the reverse side.

### A. REHEARING.

Any person aggrieved by this order may file a written petition for rehearing within 20 days after service of this order, as provided in section 227.49 of the Wisconsin Statutes. The 20 day period commences on the day of personal service or the date of mailing of this decision. The date of mailing of this Final Decision is shown above.

A petition for rehearing should name as respondent and be filed with the party identified below.

A petition for rehearing shall specify in detail the grounds for relief sought and supporting authorities. Rehearing will be granted only on the basis of some material error of law, material error of fact, or new evidence sufficiently strong to reverse or modify the Order which could not have been previously discovered by due diligence. The agency may order a rehearing or enter an order disposing of the petition without a hearing. If the agency does not enter an order disposing of the petition within 30 days of the filing of the petition, the petition shall be deemed to have been denied at the end of the 30 day period.

A petition for rehearing is not a prerequisite for judicial review.

### B. JUDICIAL REVIEW.

Any person aggrieved by this decision may petition for judicial review as specified in section 227.53, Wisconsin Statutes (copy on reverse side). The petition for judicial review must be filed in circuit court where the petitioner resides, except if the petitioner is a non-resident of the state, the proceedings shall be in the circuit court for Dane County. The petition should name as the respondent the Department, Board, Examining Board, or Affiliated Credentialing Board which issued the Final Decision and Order. A copy of the petition for judicial review must also be served upon the respondent at the address listed below.

A petition for judicial review must be served personally or by certified mail on the respondent and filed with the court within 30 days after service of the Final Decision and Order if there is no petition for rehearing, or within 30 days after service of the order finally disposing of a petition for rehearing, or within 30 days after the final disposition by operation of law of any petition for rehearing. Courts have held that the right to judicial review of administrative agency decisions is dependent upon strict compliance with the requirements of sec. 227.53 (1) (a), Stats. This statute requires, among other things, that a petition for review be served upon the agency and be filed with the clerk of the circuit court within the applicable thirty day period.

The 30 day period for serving and filing a petition for judicial review commences on the day after personal service or mailing of the Final Decision and Order by the agency, or, if a petition for rehearing has been timely filed, the day after personal service or mailing of a final decision or disposition by the agency of the petition for rehearing, or the day after the final disposition by operation of the law of a petition for rehearing. The date of mailing of this Final Decision and Order is shown above.

The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is a person aggrieved by the decision, and the grounds specified in section 227.57, Wisconsin Statutes, upon which the petitioner contends that the decision should be reversed or modified. The petition shall be entitled in the name of the person serving it as Petitioner and the Respondent as described below.
