- C.1. Within thirty (30) days from the date of the Order, Respondent shall enter into, and shall continue, drug and alcohol treatment with a treater acceptable to the Board or its designee (Treater). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater.
- C.2. Respondent shall immediately provide Treater with a copy of this Order and all other subsequent orders.
- C.3. Treater shall be responsible for coordinating Respondent's rehabilitation and treatment as required under the terms of this Order, and shall immediately report any relapse, violation of any of the terms and conditions of this Order, and any suspected unprofessional conduct, to the Department Monitor (See D.1., below). If Treater is unable or unwilling to serve as required by this Order, Respondent shall immediately seek approval of a successor Treater by the Board or its designee.
- C.4. The rehabilitation program shall include individual and/or group therapy sessions at a frequency to be determined by Treater. Therapy may end only with the approval of the Board or its designee, after receiving a petition for modification as required by D.5., below.
- C.5. Treater shall submit formal written reports to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's progress in drug and alcohol treatment.

#### Releases

- C.6. Respondent shall provide and keep on file with Treater, all treatment facilities and personnel, laboratories and collection sites, current releases complying with state and federal laws. The releases shall allow the Board, its designee, and any employee of the Department to: (a) obtain all specimen screen results and patient health care and treatment records and reports, and (b) discuss the progress of Respondent's treatment and rehabilitation with Treater, treatment facilities and personnel, laboratories and collection sites. Copies of these releases shall immediately be filed with the Department Monitor.

#### AA/NA Meetings

- C.7. Respondent shall attend Narcotics Anonymous and/or Alcoholics Anonymous meetings or an approved equivalent program for recovering professionals, at the frequency recommended by Treater, but no less than twice per week. - C.9. Respondent shall abstain from all personal use of controlled substances as defined in Wis. Stat. § 961.01(4), except when prescribed, dispensed, or administered by a practitioner for a legitimate medical condition. Respondent shall disclose Respondent's drug and alcohol history and the existence and nature of this Order to the practitioner prior to the practitioner prescribing the controlled substance. Respondent shall, at the time the controlled substance is prescribed, immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Respondent's treatment with, and provide copies of treatment records to, Treater and the Board or its designee. - C.14. The Approved Program shall require the testing of specimens at a frequency of not less than forty-nine (49) times per year (one of which may be a hair test at the Board's discretion), for at least the first year of this Order. Thereafter the board may adjust the frequency of testing on its own initiative at any time, and/or Respondent may petition for modification of testing frequency per paragraph D.5.
- C.15. If any urine, blood, sweat, nail, hair, saliva, or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations, as the Board or its designee shall determine to be appropriate, to clarify or confirm the positive or suspected positive test results.
- C.16. In addition to any requirement of the Approved Program, the Board or its designee may require Respondent to do any or all of the following: (a) submit additional specimens; (b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.

- C.23. It is Respondent's responsibility to arrange for quarterly written reports to be submitted to the Department Monitor from his or her supervisor at each setting in which Respondent practiced in the previous quarter. These reports shall be submitted as directed by the Department Monitor, and shall confirm whether weekly meetings took place between Respondent and his supervisor, assess Respondent's work performance, and shall include the number of hours of active practice worked during that quarter. If a report indicates less than satisfactory performance, the Board may institute appropriate corrective limitations, or may revoke a stay of the suspension, in its discretion.
