The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Neil J. Brahmbhatt (Respondent), (Year of Birth 1980) is licensed in the state of Wisconsin to practice medicine and surgery, having license number 57508-21, first issued on July 23, 2012, with registration current through October 31, 2027. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Libertyville, IL 60048.

2. At all times relevant to this proceeding, Respondent practiced as a psychiatrist at a medical center located in La Crosse, WI (Facility).

3. The Department received notice from the National Practitioner Data Bank that on July 7, 2023, Respondent voluntarily surrendered his clinical privileges for the facility either while under investigation or to avoid an investigation relating to professional competence or conduct.

4. The Division of Legal Services and Compliance (Division) requested a response to the allegations from Respondent on August 4, 2023, and August 14, 2023. These requests were sent to Respondent's email address on file. No response from Respondent was received as the email address on file was Respondent's former employer (Facility) email account, Respondent had not provided Division with an updated email address yet and therefore did not receive the Division's emails.

5. The Division requested a response to the allegations from the Respondent on August 22, 2023. This request was mailed to the Respondent's address on file. No response from Respondent was received as the address on file was Respondent's former employer (Facility) address, Respondent had not provided Division with an updated address yet and therefore did not receive the Division's mailing.

6. The Division requested a response to the allegations from Respondent on October 30, 2023. This request was emailed to Respondent's secondary email address on file with the Division, that was current. Respondent responded to the allegations on October 30, 2023 and explained to Division he had not received the prior emails and mailing (above.)

7. The Division obtained records from the Facility, which showed that on July 5, 2023, Respondent submitted a formal court-ordered psychiatric evaluation to Vernon County Circuit Court (Vernon County), which in part indicated that Respondent had met with the patient who was the subject of the evaluation, when Respondent had not met with the patient at that time.

8. After the above referenced submission to Vernon County, Respondent attempted to evaluate the patient in person, but patient refused to participate in the evaluation.

9. After Respondent's interaction with the patient (above), Respondent submitted an addendum to Vernon County, stating that his earlier submission was based on chart review and collateral, that he was unable to evaluate the patient, and therefore concluded that based upon [Respondent] not conducting an interview, it would be unethical to "move forward to testify to [Respondent's] report... as it [was] an unfinished draft"

10. Vernon County was unable to move forward with the potential civil commitment of the patient, as Vernon County lacked the two (2) reports required under statute.

11. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

an unacceptable risk of harm to a patient or the public whether or not the act or omission resulted in actual harm to any person.

3. By the conduct described in the Findings of Fact, Respondent engaged in unprofessional conduct as defined in Wis. Admin. Code § Med 10.03(3)(g) by failing to cooperate in a timely manner with the board's investigation of a complaint filed against a license holder.
